

This is not a World of Coincidences...

On one hand, there is an undeniable Alien Presence on our planet.

For decades, they have been accomplishing for their own benefit (and possibly because of their desperate survival), a long, long series of experiments using live human beings and animals, not counting with the long history of provoked wars and "natural disasters" occurring almost daily.

On the other side, there is a strong evidence of "control" behind the political and religious governments of the world.

What is really happening?

Instead of continuing with what could be understood as "alien tales" (*indeed the Web is almost full of this*), which possibly entertains and provoke "sane" meditations, we want to enrich our original goal of only informing about the Alien presence on Earth.

We are certain that something dangerous for this planet is happening and **it can get worse if we continue with our lack of real knowledge about what is going on around us.**

We don't believe in "destiny" nor that God's intentions are the cause of disasters and atrocities such as children shooting children...

We believe in the spirit of man, any race....

From now on, this page will include the *"two sides of the game"*:

- ***Alien Presence on Earth**, purposes and locations of their bases.*
- ***Who is behind?**, based on different documents and valuable opinions, exposed along the history of our planet.*

The next document collection will give our readers and the world at large a better frame for analysis about our current situation, and again, to point out who our REAL enemies are!

With this composition, we will be constructing a better set of facts in order to get the best possible analysis and hope for a proper reaction against those that believe to be the "Chosen Ones".

Surprise! NOT the ones we think they are, apparently they are only pawns of the Greys...or perhaps the Greys are the pawns of them?

THE BIG CONSPIRACY OF FINANCE

INTRODUCTION

Imagine what would happen if these simple articles were known to everyone!

The crisis in Asia, as well as devaluation of currencies COULD BE UNDERSTOOD...

(I would suggest that once you finished reading the article, you again glanced at this introduction)

We all sit in a very well planned trap. We believe everything Books in Universities tell us, speeches made by "prominent" persons, and the Media.

Obviously we do not even dream about what the truth behind these things is. We are led to one disaster after the next one because we just live, without analyzing what is happening with us and around us. When something good happens, we say, "it was luck". When something bad occurs, "luck is not with me any more" or "it is God's will".

None of it is true. You have just not found the real cause of what happened.

As a child I was told never to spend more than I had, and if possible to save some of it. My family lives this way, and for us, financial problems are non existent. In my opinion, this is the essence of **ECONOMY**. I had a hard time understanding why my neighbors could buy 2 beautiful cars, and I, at that time, had to travel with busses.

Today it is clear. They have nothing, and I happily drive my small car!!!! (Fully paid for).

My wish is that we; THE PEOPLE get access to the correct information, and then decide what way we wish to go.

There is a very simple way of analyzing situations in your daily life. If things are going as YOU wish them, you are obviously doing the correct things. Find out what you did, and continue with it! Things go wrong, STOP, and take the time to find out what the hell YOU are doing wrong or backwards. Then handle what you find, FAST.

The only purpose of translating and publishing this article, written in a Magazine, 6 years ago, and which came into my hands... is to help **YOU** out of some daily confusions.

THE BIG CONSPIRACY OF FINANCE

The world policy movement, big and small convulsions in the economy, the changing directions of the rudder on the most ample boundaries of our civilization, all of it seems always to have an official explanation. Nevertheless, generally in the bottom of it, there are to be found some signs obeying the abstract and powerful High Finance, the one that is in reality dominating the world. Understand how and why this mechanism is functioning, how and why the governments of the world bend in the presence of this many sided, almost invisible entities, is what the author of this article is proposing to do with clarity.

All the countries of the world are submerged in Debts. All owe money. The American colossus owes money. Japan is in deficit. The same is happening to Germany, not to speak of England and France. Even such a model of a country as Switzerland has red numbers. Same situation includes the Vatican. If common sense would still be in use in the mind of people, this should make us think. Because, only if such debts would have been made in a secret way, with the hypothetical inhabitants of another galaxy, it is practically impossible that such debts exist. Any bookkeeper could testify to this. Debit and Credit must balance or, to say it in another way, the existence of an indebted presupposes the existence of a creditor. Nevertheless the world Debt exists. Who is the mysterious creditor of the planet?

The creditors of the world are the banks, or, to be more exact, the bank system. It is surprising that money, which is the leading motive of millions of men, and the biggest worry of people that use to be called practical, is an abstraction. And it is so, because physically speaking, it does not exist. The pieces of metal and paper, generally decorated with royal images, are nothing else than worthless change.

THE MONEY ILLUSION

If the definition of money most commonly admitted is " it is anything in exchange for which merchandise is acquired, services are rendered and debts are cancelled". Then the denomination of worthless change applied in the above paragraph, to what we commonly call money, will easier be assimilated.

In developed countries, already more than ninety percent of the transactions are made without the use of paper, not to say anything about metals. Checks, credit cards and other paying instruments that constantly are being invented by the bank system are used as money functions. And, if those take over the function of money, those are money.

Objection can be made that such paying instruments represent money that really exist, which is substituted due to convenience for daily use. This is false. Such money does not exist; that is, it does not exist as an equal counterpart in paper or metal to those ninety percent of the money used in every day's transactions, on a national and international level. Such ninety percent is what technically is called contract money and we will call it credit-money.

Credit is a word that etymologically stems from Latin, credere, which means, "believe". We think that a document issued by a bank -a check for example- and valued, let's say in a million dollar, implies the existence of paper money for the value of one million dollar, any place. Normally, in a bank box. And this is not true.

Since approximately two centuries, in Europe and the United States, the bankers know, due to daily experience, that the money clients periodically withdraw from their accounts is ten percent of its total accounts value. This affirmation will make some owners of current accounts knit eyebrows, especially those that have problems of lack of work or a very low salary. But, we are talking about the total balance of a bank's accounts. This way a bank always has ninety percent left for loans. This is the reason for opening credits nine times bigger than the amounts effectively in existence in their treasury, knowing that when opening such credits, people will not take all the money at once in a suitcase. Only ten percent of its value will be taken out, and the rest will be used -it is a proven statistic reality- with checks, which mostly will be entered in accounts.

This whole process implies that, at the moment a credit is opened, a bank (any bank), by the simple system of writing a number in their account books, is creating money. We will not say that this is the same as false money, because this is outside the law, and the bank in question is an unquestionably legal entity. And when the credit plus its interests are cancelled, the bank is destroying money.

Each credit opened by a bank, represented in form of checks or credit cards, as well as every receipt issued to his clients, represent bank promises for money payments. Consequently as well their debtors as their creditors, are entitled to demand money from the bank. Everyone is convinced that what the bankers "lend" them is money, that it is real money, the one from the Federal House of Mint, and that checks are only used to make things easier and faster. But this is not so. Bank businesses depend on the confidence the clients have in the apparent interchangeability of a check for the money represented on it. This is a business based on credibility (credit), in a fiction.

But, when the bank -or, we repeat, the bank system- has created all the "money-credit invention", permitted by their reserves, that is, nine or ten times its value, it must refuse new credits not to find themselves unable to honor their promises to both sides, debtors and creditors. More than that, the banks must pressure their loaners to give back the money they have "lent" them. We write the verb in quotation mark, because no one can lend something he does not have, or at the most, only has it at a ten percent proportion. Then, on a global scale, something-called crisis, is produced.

THIS WAY CRISIS ARE BORN

What has happened? Well, with the opening of credits, the banks have given the possibility of the creation of wealth, but having to cancel them in order to avoid the situation in which they cannot honor their promises of payment to loaners and lenders, they hinder that such wealth can be consumed for lack of money. To use a simile easy to understand, the bank system acts as a doctor, who, to cure a patient gives him a blood transfusion, and when he is getting better, he starts bleeding him. In the case of finance, the bleeding is of greater quantity than the transfusion, because of the interest rates.

With the banks controlled by the so called central or national banks -whose aims consist to avoid that those taken by ambition or error in calculating, should transgress in the concessions of credits; and with the central banks under direct or indirect control of the International Monetary Fund, the Stock Markets of New York, London, Tokyo or Zurich- the stability of the Finance System is maintained, with which crisis and prosperity periods are generated inevitably.

Crises are born in a periodical and alternative way, as if we were dealing with such inevitable things as the rotation of earth around its axis or the tide.

With the actual banking system, the banks can, with their checks and credit cards, provide the people with purchasing power and later take it off at the moment in which there is more need of it. The sudden overflow of a market with credit-money which is called by some very adequately abstract money is called inflation, making raise the prices and wake up the general attract to increase production. The markets are full of all kind of products and logically, it's necessary a lot of money for distributing them since that's the function of money: goods and services distribution. In such circumstances, the more or less sudden "money withdraw" necessarily provokes a general collapse of prices (or the maintenance of them in the presence of the increase of the mass of paper money, that is the same of the lose of its own value) and at the same time, a cataract of breaks, bankruptcies and its logical corollary: shutdown.

It has said that the banks also suffer the effects of crisis. It can't be true, except in some specific and very concrete cases. In the prosperity periods, they obtain excellent interests. In crisis periods, if they don't charge those, they charge of the guarantors or in its defect they restrain to privates or enterprises that can't pay, so don't forget that frequently the banks are also shareholders of the leading companies and knowing the business evolution, they usually retire on time.

*The English economist **Frederick Soddy**, Nobel's winner in 1921, wrote in his work "Citadel of Chaos": "The more sinister and antisocial characteristic of contract-money is that it doesn't have any existence. Banks owe the people a total quantity of money that doesn't exist. Buying and selling by mean of checks only produces a change in a private to whom*

the money is owed by the bank. Meanwhile the client account is debited, the other's client is credited, and the banks can continue owing such quantity indefinitely.

The benefit of the money emission has procured the capital of the great bank business, just as today exists. Having begun without any of its own, bankers have put everybody in debt with them, irremissibly by mean of a trap.

This money born each time that the banks "lend" and disappear each time the loan is returned. This way if industry tries to pay, the nation's money disappears. This makes so dangerous the prosperity, since this destroys the money just when it is more necessary, and precipitates crisis".

A crisis that it's called economic, but it isn't such, but purely financial. And that is a common thing. The economy consist of three parts: production, distribution and consumption.

The production with the amazing progress in technology enjoys of unbetterable health. Consumption can't be sick per se. People haven't turned suddenly crazy and stop the consumption without any reason.

Then by exclusion, the sickness can only be found in the third factor: the middle factor, the distribution.

BANKING NEVER PAYS.

It has been pretended to accuse the intermediaries, but it is evident that if they exist it is because they are necessary. Maybe in some cases they are so many or they take advantage of the situation in which they are, but this can't constitute an unsolvable problem, and less in a national or worldwide scale. The real distributor of goods and services is the finance. And banks continue being a great business in an economy that is sick in a worldwide level. This must cause us to reflection.

Obviously, it will be objected that if this was so easy the governments have already found the remedy, putting in route the banks. But this, said with all respectful, is the same of feeding with vane illusions. Because governments, all of them, are indebted with the high finance. The governments are indebted with the national and international banks, as if they were simply privates. There isn't today nor only one single government "financially talking" that be sovereign.

By the other side, to reach the power, the governing party has had be indebted to pay the cost of its electoral campaign. The government debt generates a progressive raise of taxes. Only the financial expenses of the actual municipality of Barcelona (Spain), by an example, represents almost the 33% of its acknowledged debt, it exceeds the four hundred thousand million pesetas.

It is an axiom of the modern government system called representative: governments in all levels, sow debts and the citizens harvest taxes. And ponders to call free the people whose pockets can be emptied, more each time, by the fiscal voracity of the tax people, constitutes a sarcasm exercise as frivolous as cruel.

The money that must be the wealth measurement of a community is, in a sad reality, a debt. And besides an unpayable debt, Why unpayable? Because the interest. How is the world going to pay more money than that that has been created as a loan? How is it going to pay 115 -the capital more interests- if only there is 100? and besides these 100 in abstract. The world is not a miracle maker.

THE TRILATERAL CONSPIRACY

How does the problem it solved? The answer is easy. It doesn't resolves; it is delayed. And is obtained the survival of the system by mean of a complex of subterfuges, palliatives and files: by mean of bankruptcy, breaks, restraining the production, exporting in prices of "dumping". And above all, by mean of the creation of new debt-money comes the tyranny over people, towns and nations. Although elections are celebrated every year.

The world economy chaos only affects the towns, Not the high finance. Even though the system salaried economists -seconded by those who are only stupid and have afraid to pass as ignorant if don't accept the official "dogma" of the prosperity and crisis cycles-, tell us the opposite, the reality is that this supposed "chaos" is very well organized. And further, it has a slope that exceeds the economy. A politic slope above all. By the simple reason that money is power. The people had vaguely heard talking, of a called Trilateral Commission, but don't have nor any an approximate idea of what is this matter. By the few that is filtered to the press by independent journalists, not entailed to the system, it is known that it is an association, without legal statutes nor officially acknowledged, whose members elected internally, meet once in a year in different places each time. Their meetings are very discrete and in them they take resolutions of financial order and advise to governments that are supposed sovereign.

"Trilateral" name, born from the fact that their members proceed from three super industrialized zones; North America, West Europe and Japan. But their action field don't circumscribe to those zones, this covers all the world.

Although the official version, The Trilateral Commission was founded in 1973 by simple civilians from Japan, west Europe and north America for propagate the idea of a most near cooperation between them and to improve the understanding of their problems facing the public opinion, reality is too different. It can't be comprehensible so much secret when they are trying to get objectives so laudable.

*More credible is the notice, dated in August 18, 1976 and published in the American magazine The Review of the news, signed by journalist **M.J.C. Blasdale** according which "the Trilateral was in its origin an idea of **David Rockefeller**, even though its architect was in that time the American Secretary of State **Zbigniew Brzezinski**, ex-high employee of Rockefeller's family. Brzezinski conceived the Trilateral to become the strongest group of intellectual and financial forces the world has ever known".*

*Since the beginning until today, The Trilateral Commission has counted with famous personages in its files, and others that are not so much, although they represent the most important banking consortiums. The list would be exhaustive: it's enough to say that among its first members, were found all the Secretaries of State (Ministers) of the **Carter** Administration and the president himself; **Giscard d'Estaing** and his Minister **Raymond Barre** and the Ministers and Subsecretaries of Economy, and Finance of Germany, France, England and the Benelux countries. But, further, banking representatives like the Chase Manhattan, Lehman Brothers, Bank of America, Banque of Paris et des Pays-Bas, Lloyds of London, Bank of Tokyo, Sumitomo Bank, Compagnie Financiere (**Rotschild**), Barclays Bank...; big companies like Coca Cola, Bendix, IBM, Hewlett Packard, Dunlop, Royal Dutch, Mitsubishi, Nissan Motor, Toyota, Sony, Unilever, Merk, Exxon, Saint-Gobain, Pechiney-Ugin-Kuhlman, Japan Airlines...; international organizations, like NATO, World Bank, International Monetary Fund, OCDE, GATT and the Bilderberg group that we will talk about...; Unions... All of these organizations, banks, companies and unions, participate in the Trilateral financing.*

Among the principal known activities of the Trilateral Commission there is the constitution of the called "Task Forces", study and action committees in charge of proposing the possible solutions to different international problems. We have the impression that if the mastodons that we just quoted propose something, it will fulfill scrupulously. It is enough to turn and see the mentioned list that, naturally, it isn't exhaustive.

*The Trilateral's men have a common ideology: World-Wide. The Baron **Edmund von Rotschild** declared to Enterprise magazine: "The structure that must disappear is the nation". We note, by the way, the curious comparison between Rotschild and one of the maxims from Great Convent of Great Orient of France in 1928: "the idea of country at least as it is actually understood must be destroyed in children's spirit. It must be complete modified.*

THE BILDERBERG GROUP

Previously we have alluded the Bilderberg group, chronologically very previous to the Trilateral Commission.

*In may, 1954, the prince **Bernard of Netherlands** met in Oosterbeek city, at the Bilderberg hotel assembly rooms (from where the name of the group is adopted) a hundred*

personalities belonging the politic class, international organisms, the high finance, multinational enterprises, universities, the press, etc., to constitute an assembly for the western unity and with a noble purpose: fight against soviet expansion. It just born the Bilderberg group, whose members will be called "Bilderbergers" Let say before to continue, that his Real Highness, Bernardo Consort Prince of Netherlands, was a richest shareholder of the "Royal Dutch Petroleum" and of "Société Générale de Belgique" the most important Belgian bank, joint to the Rotschild brothers from Paris by multiple laces of interest.

The Bilderberg Group meets plenary each two or three year, with exception of a "petit comité" done periodically twice each year, always in different places. It is seen sporadically some members of royalty in these meetings, as Prince **Axel** of Denmark, Prince **Klaus** of Netherlands, the Edinburg duke and, even though he must disappear by the service door after the scandal of the Lockheed commissions, the first president, The prince **Bernard** of Netherlands. But all these illustrious godfatherships hide the real heads of the group: the **Rockefeller's**, the **Kuhn** bank, Loeb & Co., the **Carnegie's**, The **Ford's**, The **Warburg's**, the french and english Rotschild branches, **Henry Kissinger**, **John Reed**, from City Bank...

At the meeting celebrated in Baden-Baden, between June 6 and 9, 1991 assisted 347 participants belonging to twenty one countries.

In the American magazine The Spotlight (July 22, 1991) was published a complete list of attendants. Together with known politic personalities, like Lord **Carrington**, Henry Kissinger or the First Belgium Minister, **Maertens**, or even from royalty, like Queen **Beatrix** of Netherlands, Queen **Sofia** of Spain and the Edinburg Duke, appear representatives of high finance and all the big banks, like the Deutsche Bundesbank, the Compagnie Financière de Paraibas, The Société Générale de Belgique, the Kreditanstalt Bankverein, the Banca Nazionale de Lavoro, the Enskilda Banken, S. G., Warburg, the Chase Manhattan, Sumitomo, etc. It is also quoted important representatives of news agencies or even newspapers (who later will keep a surprising silence about so interesting meeting). Renamed industrials like **Giovanni Agnelli**, of Fiat; **Paul Allire**, of Xerox; **Conrad Black**, of Hollinger Corp., in which the partners are Lord **Carrington** and Kissinger and he is owner of the newspapers Daily Telegraph of London and the Jerusalem Post; and **Kenneth W. Dam**, of IBM.

Also are named persons of high organisms like **Arthur Dunkel**, General Director of GATT, **John R. Galvin**, Chief Commandant of SHAPE; **Manfred Worner**, General Secretary of NATO; and **Helga Steeg**, Director of the International Energy Agency.

And there isn't to forget the Spanish representation: the Vice-president **Narciso Serra**, **Jaime Carvajal y Urquijo** and **Jordi Pujol**. Finally, last but not least, and in the last places of the list, in that time a dark Governor of the Arkansas State, **Bill Clinton**.

MONEY IS POWER

*The president of this areopagus of personalities is **Peter Rupert**, Lord Carrington, who has occupied all the important charges in different British governments, except First Minister as he was until 1988 General Secretary of NATO. Carrington was one of the founders of the law firm "Kissinger Associates" which was involved in diverse scandals of interest conflicts that obliged Kissinger to resign his charge as President of the Assessor Counselor of Foreign Business Intelligence of the White House. Carrington, whose ancestors obtained the nobility title by their successes in the bank field, was also in the Administration Council of the "Hambros Bank", who was too involved in the Logia Propaganda Due (P2) scandal and the banker **Michele Sindona**, in Italy. Hambros, managed by the Nobel Foundation, is one of the banks of mayor expansion.*

*Adding, as a curiosity title, that during the days 11 to 14 of may, 1989, the "Bildergers" had a meeting in Spain, and concretely at the La Toja Island in Pontevedra. According the Spotlight (Washington, May 29, 1989) between different matter was debated the "politic murder" of **Margaret Thatcher**, whose exaggerated nationalism was annoying for the Group planning.*

*Money is Power. It has been said and must be repeated, But this power becomes into omnipotence when it is owned the faculty to make that money, as it is described at the beginning of this article. That these power has been acquired by the clever manipulation of the trap that the Nobel Prize **Soddy** talked, or by other means of less delicateness and more opportunists, it is irrelevant. And an example that in this world of high finance not everything is as it looks like, is the case of two giants of economy, but dwarfs in finance and nullities in politic: Germany and Japan. It had been said, comically that "Japan is buying United States" as if the finance wasn't by definition, international. It is to forget that, at the end of the Second World War, the Rockefeller Consortium bought, by the symbolic price of one dollar, innumerable Japanese and German companies, under the concept of "war reparation" even though the questioned companies continued, sometime, with their original names and their administration councils -of course- if those were constituted by figureheads from that consortium. Because of this, the sale of the "Empire State Building" to a Japanese company, wasn't more than a found transference that indeed, absolutely legal from one country to another.*

At the top of the high finance pyramid, the majority of the big "Holdings" are interpenetrated each other. Below in the base, appear some millionaires obsessed to reach positions. Outside, in the middle of the desert, the vulgum pecus contemplate amazed, the huge building where it senses without a whole understanding, that it is being designed their life not counting with them.

Conspiracy? We aren't going to obsess with the names wanted to give to things, but this way the writer **Jose Maria Gironella** asked himself, in an admirable article appeared in La Vanguardia, a newspaper from Barcelona, Spain on April 11 of 1992: Who are the fifty or hundred brains from the anonymous deeper that move the threads of the events... those banks, those multinationals... that elitist minority of a determinate ethnia?

THE INVISIBLE GOVERNMENT OF THE WORLD

INTRODUCTION

Some weeks ago, "by chance", a person gave me a six years old magazine, which was even eaten on the sides by mice!

I was very astonished about the predictions, which all are becoming true, and which are very much linked with the work about "Alien Bases on Earth".

Who ever have enough interest in this comparison can follow the trend of the Bases, and find the Purpose in the different locations. It can be seen with clarity how they work, and can be compared with the present article.

Dear Reader, please remember that the advantages the Greys have over us are only:

- A superb organization, which is NOT corrupted because it works on fear and a kind of robot life.
- Highly advanced weapons, which we cannot imagine even in our dreams.
- Being HIDDEN from normal view making us believe in wrong things about them.

THE INVISIBLE GOVERNMENT OF THE WORLD

Renowned heads of State, of the most influential nations of the planet have, at one time or another of their political career admitted the existence of a not defined power over their own. Possibly, some investigators are being right about an invisible Government of the world, who would decide at the back of the voters' wishes, and would be formed – at least in its external cover – by known bankers and economists. Which are the real faces of the world's rulers?

It is hard to believe, in a democratic society such as ours, that we should be subjected to powerfully organized forces that direct our lives, manipulate our wishes and direct our thoughts.

But it seems to be true.

An extensive world organization composed of corporations and associations seemingly altruistic, cultural and ecological, are watching, registering and controlling our civic reactions.

It is hard to imagine an Invisible Government directing the world over national States, but already the great statesman Benjamin Disraeli has said it clearly: "*The world is governed by personalities very different to what people that cannot see further than their eyes, believe*".

Lenin asserted it too while complaining to his collaborators: "*Behind the October Revolution – he then said – there are more influential personalities than the thinkers and executors of Marxism*".

We are speaking about affirmations hard to believe, only that in some way, they support the idea that the historical events in which we now live were programmed more than 200 years ago by an elite of unknown personalities whose successors continue to work in the shadows.

Sir Winston Churchill has lifted some of the veil when he assured that: "*the one that cannot see that on Earth a big endeavor is taking place, an important plan, on which realization we are allowed to collaborate as faithful servants, certainly has to be blind*". This phrase has surely not made the "masters of the world" too happy. He has disclosed something that should have stayed in the shadows.

Something similar has happened to the penultimate American president George Bush when a reported from *Washington Post* asked him what would happen after the collapse of the Soviet Union. On that occasion Bush answered with competence: "*What we say, goes*"

Franklin Delano Roosevelt also hit with the key when declaring "*in politics nothing is accidental. If something happens –he asserted- be assured that it was planned this way*".

We think that history is made by improvised decisions and political reactions that try to reorganize those things that events are changing. We have a hard time accepting that the ""world today" was planned at the time of Christopher Columbus; that the French and Russian Revolutions, Nazism and the Consumer Age are the links of a chain of events provoked by thoughts of men who think they dominate the cosmic laws of polarization. And they polarize their fellow men with the help of ideologies and concepts, which puts us against each other.

It is very hard to believe that the violent actual consumerism that gets us in an aggressive competition to be able to get more "things", was planned several centuries ago, but the testimonies leave no doubts.

For example in 1776 the consumerism did not exist. Not even the concept was known in a world where misery was the normal thing, and poverty commonplace.

None the less in one of the Records of the occultist society "*The League of Men*", grounded that same year of 1776, it is said textually that "*the bitter fight for the money goods will engender a heartless society*".

It is not a prophecy, but something foreseen in a Plan which purpose is to subjugate man and the entire humanity.

SATANrS TESTAMENT

The modern "*capitalistic conspiracy*" based on the power of the money has started now, a bit more than a century ago, when baron Rotschild- the famous international banker who financed Napoleon- made his the maxim "*give me the power of the money and it will not matter any more who is commanding*".

The truth of the matter is that the role his family played after his death is the key to the understanding of the dark nets of the modern world's economic power.

January 1991 the magazine *Progress for All* published an interview with John Todd – member of the Masonic Council of the Thirteen – where he clarified the symbolism of the pyramid and the shining eye that is figuring on the back of the one dollar bill. Todd assured then that "*the seal of the pyramid was created by the Rotschild family and brought to North America by Benjamin Franklin and Alexander Hamilton before 1776. The Rotschild family –Todd added- is the head of the Organization in which I entered in Colorado. All the Occult Brotherhoods are part of it. It is a Lucifer Organization to install his reign in the whole world. The eye on the pyramid is the eye of Lucifer. Supposedly the Rotschilds have personal dealings with the Devil. I have personally been at his villa and have experienced it. And I know it is true*".

As a personal remark from the translator, "Lucifer" can well be some Greys who are helping them out in the organization of a One World Government.

Most of the things written in this article can be found in some of the PURPOSES of different Alien Bases. So, this "big and powerful men" might be simple minions of the Greys!!!!!!

Franklin and Hamilton are the founders of the North American State. The year of 1776 was the date in which independence was declared, the same (coincidence) in which Adam Weishaupt founded in Germany "*The League of Men*". Is it also coincidence that out of fifty six signers of the *American Declaration of Independence* fifty were masons, and that fifty of the fifty six members of the *National Constitutional Assembly* also were it?

We are not talking about opinions, but of verified facts recorded in the recent North American History. Anyone can check it.

We will not elucidate about what these authors consider as "*Lucifer*", but the truth is that behind this manipulated concept many modern economic groups hide intentions and plans so dark as the pretended "evilness" that this mythical name represents.

The "*Association of the Devil and the Illuminate*" appears for the first time explicitly in a document of 1889. Signed by Albert Pike June 4 1889 it contains a Decree of Instructions directed to the twenty three Supreme Councils of the whole world, and where the following is said: "*To you, Sovereign Instructors of Grade 33, we tell you: you have to repeat to the brothers of inferior grades that we worship only one God to whom we pray without superstition. It is we, Initiated in the Supreme Grade, that are to keep the real Masonic religion preserving pure the Lucifer doctrine*".

The next similar thing that comes up is a document published between the years 1901 and 1906 named "*The Protocols from the Wise Men of Zion*", also known as "*The Will of Satan*". One copy of this document is kept in the British Museum in London.

About 1919 a German translation of this text appears. Des Griffin, in his book "*Who Rules the World?*", picks up this translation, out of which we transcribe two revealing phrases. In the first place the polemical *Protocols* assert that "*the ones that seduce the population with political and social ideas are subjected to our yoke (symbol of oppressive power). Their unattainable Utopias are undermining the prestige of the national governments and the pillars of the Current State of Rights*".

To assert later on that "*when nations get disappointed by their governments, the population will start to clamor for a singular Government that can bring peace and harmony. This will be the moment to enthrone our sovereign*".

It is not hard to identify in the context of these Documents the current political situation in Europe. The disappointment of the citizens and the lack of credibility on the part of the politicians adjusts itself perfectly to what the Documents have postulated in the beginning of our century.

But, how is it possible that the "*Wise Men of Zion*" could foresee this what is happening now? If we stick to the writings of the *Protocols* the answer is rather simple: they have not foreseen it, they have planned it!

If you do not want to believe this, please read the following: "*After the monarchies have lost their prestige, we will elect Presidents among persons that can be obedient servants. The elected ones must have some black spot in their past in order to be able to keep them silenced because of fear of being discovered by us. At the same time tied by the acquired position of power, enjoying the honors and privileges of a President, make them feel anxious to co-operate, not to loose it*".

ONE WORLD GOVERNMENT

Generally it is thought that the idea of One World Government is new and that the recent Maastrich agreements integrated this concept to the European project. Nevertheless, the idea is neither new nor European. In reality it deals with an old project from the "*League of Men*" that has been carried out under the international money might.

Years ago J. Warburg, a banker associated with the Rotschids and the Rockefellers has announced it in the American Senate, with the following words: "*If we like it or not, we will have a One World Government. The question is if it will be achieved through consent or through conquest*"

Let's add a new piece to the puzzle. In November 1987 the magazine *Code* published an article where it was announced that men of the stature of Warburg, Rotschild, Rockefeller, Morgan, Kissinger or the heads of State Roosevelt, Churchill or Bush, were - or still are - members of a Hebrew Lodge known as *BrNai BrRit*, which means "*Sons of the Pact*".

Code reported it affirming that "*members of Congress and Parliament, officials of the White House and the Council of Foreign Relations, bankers and trade union leaders feel very honored by the possibility of mixing with the powerful people of the BrNai BrRit League. Everyone is receiving the exact information and flattery needed to feel honored for being a loyal servant to a cause he feels fully convinced about. Nevertheless the magisterial and decisive decisions are made behind closed doors and in a super luxurious suite where David Rockefeller, the baron David Rotschild, Henry Kissinger and other relevant figures of the international politic and economy assemble*".

The *BrNai BrRit* elite are the Illuminate, the group that inherited "*The League of Men*", and the founder of the Roman Club and the Trilateral. Its power extends and infiltrates all over the place like a stain of oil. Its control system extends his arms like an octopus throughout corporations and societies interposed, such as "*Lyons International*", the *Club of Rome*, the *Council of Foreign Relations*" or CFR, or the Trilateral. Behind all of them you will find the Rotschild and the Rockefellers. Their goal is to consolidate a One-World Government for the whole humanity.

But, iwhat kind of government is being planned for? The already mentioned Des Griffin affirms that the ex president of the Trilateral conceives history in three phases. "*The last one – this politician named Zbigniew Brzeznsky assures – will be the Technocratic Era, in which ar humanitarian reasonability will prevail around the world*".

The word "humanitarian" has a much more complex meaning than what one will think just looking at it. *The Webster New Collegiate Dictionary* defines this concept as "*a principle that denies the divine characteristics of Christ. It deals with a doctrine that limits the ethical and moral obligations of the human being exclusively to the human being*

himself and his interrelations, without any dependency with any other "thing", other than the satisfaction of his wishes and passions".

The reader can recognize, with without much effort, that behind it is underlined the doctrine "death of Montesquieu" and concepts as "*Ethics does not exist*", "*God died*" or "*religion is the opium of the people*". We have heard many lectures about this from some politicians and philosophers these last 150 years.

But the character of the One World Government would not be complete without an appendix from Brzeznsky himself, published in the magazine *Encounter*: "*The Technocratic Age – he assures us – is slowly designing an every day more controlled society. This society will be dominated by an elite of persons free from traditional values (!) who will have no doubt in fulfilling their objectives by means of purged techniques with which they will influence the behavior of people and will control and watch the society in all details*". And as colophon, he adds: "*...it will become possible to exert a practically permanent watch on each citizen of the world*".

In our country, the surveys, the scandals about personal data cards, the identification Number for Taxes, the requirement to take along the Identification Card, the questions made about your political and religious opinions and even about your intimate preferences, shows us that the Trilateral Program (a Corporation with management appearance) is being applied and is developing exactly as planned. In Spain at least, the testing is being successful.

It is a paradox to observe how those that stand for liberty without restrictions are the "pawns" (most of them without knowing for whom they work) that are forging the links of the invisible chain which subdues us to the international money Government.

MONEY AND POWER

Mobilize the enormous machinery needed in order to control Mankind, requires hundreds of millions dollars and a large human social infrastructure, as well as an organization assuming whole control of communications media and information.

How is that human infrastructure?... From where are they providing money?

Carrol Quigley, in his work "*Tragedy and Hope*" writes: "The conspiracy net that moves the threads of the world is formed by international bankers and capitalists; that is, the high world of finance. They bring around them an army of scientists, technocrats, politicians and marionette agents, applying their high politics from the shadow."

In the other hand, Garry Allen, bringing about numerous data, shows that "economic international empires are interested in promoting government's debt". And adds: "As

higher is the debt, more expensive are the interests" and at the same time, they can ask the President for fiscal privileges, monopoly of services and contracts.

If he doesn't accept, they provoke his fall and promote disturbances and strikes which impoverishes the nation, compelling him to accept their requests.

PRESTIGIOUS BANKERS, STATESMEN AND STATE CHIEFS BELONG TO THE LODGE CALLED B'NAI B'RIT ("SONS OF THE ALLIANCE") FROM HEBREW INSPIRATION, CONTROLLING A NICE PART OF THE POLITIC DECISIONS OF THE WORLD.

"*What we says, goes*", affirmed George Bush. Undoubtedly, many will think this "we" does reference to the American government. But they're wrong. Bush refers to the CFR, founded in 1921, by banker Morgan and financed like the *Club of Rome* by the Rockefeller's. In the United States, the CFR is known by the establishment as "The ministry of Rockefeller Affairs", and also as the "Invisible Government of the World". Adler writes that "CFR is not the government, but is the General Agency that says the government what to do. To think that are the electors is obviously, illusory. Adler himself listened from one of the delegates of CFR the next affirmation: "it doesn't matter who the people voted for; they always will vote for us".

The European arm of CFR is DGAP, "Deutsche Gesellschaft für Auswärtige Politik", in whose organization appear ministers, ex ministers, ex presidents of syndicates, republic ex presidents and the influential weekly *Die Zeit*. Other ramification is in Tokyo. Isn't casual, so that the dollar, the german mark and the japanese yen point out the rhythm of world and the compass to adopt by all governments.

Although CFR and Trilateral are only two of the tentacles of the enormous Illuminati octopus.

Their power is immense. In fact, the mentioned *Code* magazine, during an interview realized to Aly Khan, Albania's government president in exile, denounced that "a few persons from the Trilateral and the CFR take the

decisions. Is a powerful private club who controls all governments in the world. They are colluded. Do you like or not, you have to do that they told. Apparently they fight against communism but at the same time they finance it".

Such affirmation looks like madness, but isn't if you think that communism is an ideology that embedded in the rich countries, promotes strikes, polarize workers, impoverishes enterprises and compels Governments to adopt socialists decisions, falling into debt.

"By mean of external debt of Countries, is possible to control their more ridiculous activities. It is an unfailing security mechanism that permits accumulate the power in a few hands."

When the interview was made still existed two blocks. If we think about the tremendous expenses that this division promoted into the governments, maybe we can understand the true reason for which the *Banker's Club* avoided the destruction of communism. It wasn't causal neither that the primitive "League of Men" required to Carlos Marx to write: "the Communist Manifest", which ideology have created thousands of conflicts and have abolished many Europeans monarchies. In politics *"nothing is casual"*, as Roosevelt said, and is evident, at the sight of *"Satan's Testament"*, that events occurring now were planned that way two hundred and twenty years ago by the *Club of Rome* fathers, the CFR, the Trilateral, the International Money Fund and Maastrich.

Like all "human", the *good* and *bad* are also juxtaposed and interlaced in *"Progress for Everyone"* from Illuminati. The *bad* rests in that money as become converted in the untouchable protagonist of politics and societies, which keeps up alive and active its power over any other ethic and moral principle of the Countries. The *bad* is also that governments gravitate between social service to poor and the unavoidable formidable money collection. Equally, the *bad* is that to satisfy the polarized demands of socialists postulates, the governments get indebted, paying high taxes as interests -at least in appearance- to the Invisible Government of Illuminati.

The international money engaged a large battle to get it. Originally, the American Constitution kept government's independence from Economy speculation and international money, reserving to Congress and Senate the possibility to interfere in the price of things, avoiding the concentration of speculative capitals. It was forbidden that foreigners invested their money in bank shares and hinders financial concentration in central banks of few

countries. At the beginning, the *"high world of finance"*, headed by Rotschild, failed in his pretension to joining with the Morgan's and Rockefeller's. But at the end it got it.

There is a large literature about the dark maneuvers they got in 1913, that Senate voted for a Law project that amended that wise prescription of "Magna Charta". Charles Lindberg, famous aviator and American senator, prophesized to the American communications media: "with this law it will be constructed the most great consortium in Earth. When the president sign it, it will legalize the Invisible Government of masters of the World.

It isn't casual that a few time later, it was passed the Progressive Tax, meaning that "who more money does, will pay higher taxes".

With this tax, governments are occupied with the richest and promulgate speculative laws allowing obtaining fast earnings. It isn't difficult to see that behind this apparent benevolent system, is disguised a diabolic plan that pretends change of hands of power, passing it from governors to finance people.

In this way, the postulate of baron Rotschild "made flesh" giving just merit at it mythical phrase *"give me the power of money and it won't be matter who has the domain"*, or in other phrase *"doesn't import who the people vote by; they'll always vote for us"*.

The Illuminati are achieving, thanks their actual arrangements one of the main goals of their program:

"A society without heart".

EPILOGUE

On page 323 of previous mentioned Des Griffin book, there is an Act of Testament challenging all humans that wishes be free and be apart from this baywork. The Illuminati in this text ensure that *"We have been chosen by the same God, to rule the world". Although arises a heroic spirit and opposes us, he couldn't confront with warriors like us. He will be arrived later"*

Supposing that the exposed be true, the Illuminati are achieving one of the principal's goals of their program *"A society without heart"*. In exchange of "things", we reject spiritual values of our culture, replacing primitives gods by moderns *"gold lambs"*.

THE ILLUMINATI CONSPIRACY

Are we Guinea's pigs of a planned destiny? Such conclusion could get rid of from the mail (kept in the Library of the British Museum in London) between Albert Pike and Giuseppe Mazzini, two qualified members of the masonic and satanic cupola of Illuminati, crusade during the past century. In these were designed three world wars.

So, in a letter sent to Mazzini in august 15, 1871, Pike says him that that First world War must be initiated to allow the Illuminati overthrow the Russian Czar's power and transform this country in the fortress of atheistic communism. The divergences caused by the Illuminati agents between the british and german empires –and also the fight between

pan-germanism and pan-eslavism- must be used to promote that war. Once concluded, must be built the communism to be used for destroy other governments and also to weak religions.

Second World War must be promoted making use of differences between politics Fascists and Zionists. The fight must be started to destroy the Nazism

and increase the politic Zionism, provided that allowing the establishment of the unsurpassed state of Israel in Palestine. During the Second World War it must be edified an International Communist being enough strong as to compared to the whole Christian world. At this point it must be contained and maintained, until the day this will be needed for the final social cataclysm.

The designed goal of this two wars as been achieved. It is only pending to see the planned for the Third World War. According to this mailing, the new war must be promoted taking advantage of promoted differences by the Illuminati agents between politic Zionism and the top leaders of the Muslim world. The war must be oriented in such way that Islam and politic Zionism be mutually destroyed, while other nations will be forced to participate in fight, until the physical exhaustion appears; mind, spiritual and economic.

Albert Pike wrote to Giuseppe Mazzini in the same date of august 15, 1871 that at the end of Third World War, who pretended the whole world domination will provoke the greatest social cataclysm ever known in the world.

AN INVISIBLE WORLD GOVERNMENT

With the purpose of getting the goal of the world control, organisms like the Trilateral and the Council of Foreign Relations were born in this century. The least known is that the Trilateral responds equally to occultism power, to witchcraft and to the evil supposed. And at the same time those responds to drugs, to the rock music empire and the political.

The political sector relates with Illuminati who are high masonic degrees. Witchcraft comprehends black and white magic, and added to these there are a determined number of masonic degrees. In fact, there are scarcely a hundred organizations belonging to the masonic world.

From this secret plot is explained the planned mankind destiny written by Charles Marx in his London works by assignment of Nathan Rotschild (whose second name means "shield" or "red's protector"). The checks received for payment can be seen in the British Museum. Marx participated in the foundation of First International in 1864. It crashed because the anarchists wanted anarchy immediately. Second and Third International –that in their transformations produced by one side the International Socialist and by the other the

Komintern and the *Kominform*- are not other than the Illuminati's confirmation, doing the first attempt of world government with The French Revolution and Napoleon.

Those who talk about coincidences have not understood yet the game played with us.

OBJECTIVE: NEW WORLD ORDER

The idea of german hebrew Adam Weishaupt, who founded the Illuminati cupola in may 1st, 1776, was the route through anarchy. Its foundation took place next day of Walpurgis Night and the fact that this day was consecrated -"*Labor's Day*"- clears enough their entailments. Besides, the fact that Illuminati Seal appears with the date of 1776 in the american dollar, astonish to those who do not know that George Washington was as masonic as his rival Jefferson.

Talking about effective power, we must mention the Rockefeller's and –more important yet- the Rotschild. In ascending succession follow the Bilderberger, a club formed in may 1954, by the five hundred richest influential men and organizations of the world who pretend a "*New World Order*" restoration.

Over them there is the "*Council of the 33*", the thirty three higher masonic initiated in the world. And higher yet, the "*Great Council of Thirteen*" thirteen great Druids, and above them acting "The Tribunal" and finally the unmentionable "*Grade 72*" of cabalist's that means "Illuminated". For Illuminated Lucifer is God and Jesus the imitator. Same way that for Christians Satan is Jesus imitator.

WHEN NEW YORK'S LIGHTS GET TURNED OFF

August 1ST, 1972, after sabat, this is "witches saturday", Philip von Rotschild announced in front of "Council of Thirteen" in the Casino building of San Antonio (Texas), the history planning from 1980. The indications were concrete: "*When see turn off the New York's light, you will know that our goal as been achieved*". You have to know the proper phrase interpretation. Choose anybody, if you have choice to this, if is this or other their own objective.

THIS MANNER IS EXPANDED THE B'NAI B'RIT LODGE

The silent but continuing expansion of the Hebrew B'Nai B'Rit Lodge above mentioned, is evident through four last press headlines raised by this mysterious group. These are good examples about the functioning of a group of these characteristics:

- *On march 22 Pope John Paul II meet B’Nai B’Rit personalities through its branch "Hebrew Antidefamatory League", doing special mention to the narrow relations of the Lodge with the "Religious Relationship Commission with Judaism" created ten years ago by Paul VI" (L’Osservatore Romano, march 30, 1984).*
- *Innsbruck Bishop (Austria) has been distinguished with Honor Medal by B’Nai B’Rit Lodge (Deutsche Tagespost, april 31, 1990).*
- *Work Group formed between Catholic Episcopal American Conference and "Hebrew Antidefamatory League", deepen constantly in their relationships" (Agence Telegraphique Juive, november 29, 1977).*
- *German Foreign Relations Minister Hans Dietrich Genscher was distinguished on May 10th this year (1991) with the "Distinguished Stateman Award" by the B’Nai B’Rit Lodge (Independent Newsreel "Unanbhangige Nachrichten").*
- *Next year Federal Chancellor Kohl will be rewarded with Gold Medal of B’Nai B’Rit Lodge (Code magazine, N° 4, 1991).*

PROTOCOLS OF THE WISE MEN OF ZION

- Last century, and even before the French Revolution, the Illuminati have done havoc in our civilization.
- Everything written in the Protocols is written in my work, Alien Bases on Earth, which is not run by the Jews!

INTRODUCTION

“Whom would you elect to help you destroy the world, if you were coming from “outside”?...

The elected ones! Well, if you came to conquer, you would elect some very able people to help you. No one better to find than the Jews. (No prejudices for this race, as my parents both were Jews).

They were known enemies of the Catholic Church and the nobility. Some centuries ago these were the Powers in the European civilization. It is also known that as they were not allowed to own land, they became extremely able in the money business.

Divide and conquer, has always been in use. The Jews did just that!

These Protocols have been known for about a century, and no one has been able to do anything about this situation.

“How come? Simple, they were, and ARE helped by the Greys.

Otherwise so very few people, only a tiny percentage of the Jewish race, would have been killed long ago. We even know the names of some of them, and still, things go on.

“All this secrecy is due to the terror that they all have (Jews and the Greys alike) of US, THE PEOPLE OF EARTH, IF WE WAKE UP!

*I wish that some of the “elected ones” would read this introduction in which I am warning them of **their future**.*

The sooner the "One World Order" comes into being, the sooner will they be eliminated.

Exactly the **same** strategy will be used on them, as they use on others. As they will know too much, and will have acquired too much power, their MASTERS will dismiss them, to say the least.

THE PROTOCOLS OF THE WISE MEN OF ZION

These Protocols were presented by Ginzberg to the Zionist congress held in Basel in 1898. They were published for the first time under the title "Jewish Program for the World Conquest" in the St. Petersburg newspaper Znamia – The Standard. It started 26 of August 1903 and the series ended 7 of September of the same year.

Here I will give you a short resume of its categorical conclusions. For any reader who wants to have more thorough information, the book is available in its complete edition in various languages.

First: *Secret and political organizations of the Jews exist and have existed for many centuries.*

Second: *The spirit of this organization is based on a traditional and eternal hate towards Christianity and a titanic ambition to dominate the world.*

Third: *The object persecuted, through the centuries, is the destruction of the national States and the substitution of these States by international Jewish domination.*

Fourth: *The means used to weaken and destroy existing political groups consists in inoculating dissolving ideas with a carefully dosed and progressive destructive potency. This goes from liberalism to radicalism, from socialism to communism, reaching even to anarchy as a reduction ad absurd of the equalitarian principles.*

During these times the Jews will stay sheltered by these corrosive doctrines.

We will preach liberalism to the gentiles, but on the other hand we keep our nation under an absolute control.

From the depth of anarchy abyss where the world will fall, and as an answer to the wail of crazed humanity, they will only obtain the cold logic, wise and intractable of a Government of "the king of David's race" which will appear at the right time.

Fifth: *The political dogmas established and developed by Christian Europe, science of the man of State and the democratic politicians, are all at the same level with respect to the contempt the Wise Men of Zion feel for them.*

For them the science of man of State is a secrete art of a superior order, which cannot be acquired by any other mean than traditional training, and is only communicated to a reduced number of elected, in the secret of a hidden sanctuary.

"Political problems are not of such nature as to let the common people reach it. The only ones that can understand it are, as we already said, the leaders that have directed affairs for several centuries".

Sixth: *According to this concept in regard to political art, people are as a flock and the politicians ruling the gentiles are "upstarts who came out of revolts, incompetent and blind". They are as dolls whose strings are handled by the hidden hands of the Wise Men of Zion. These dolls generally are corrupt and practically always unable persons who easily yield to flattery or threats. They subject themselves because of fear of blackmail, and work for the benefit of the Jewish domination without even being aware of it.*

Seventh: *The press, theatre, the stock market, science and even the law, are in the hands of the ones who get hold of the gold.*

At their disposal they have means to produce confusion, chaos in the public opinion, the demoralisation of young people, the stimulation of vice in the adults. If necessary they would know how to make prosper among the gentiles, instead of idealistic aspirations of the Christian civilisation, greed for money, and foment in them the materialistic scepticism and a cynical appetite for pleasure".

SCHEMATIC CONTENT OF THE RECORDS

We can synthesise the methods and systems used to achieve this hypothetical conspiracy in a brief synopsis of the following principles:

a. Religious:

- ***Attack the Christian religion until the concept of God is erased of their minds.***
- ***Destruction of faith professions to produce atheists.***
- ***Inoculate dissidence in religions.***
- ***Foment freethinking, scepticism, discords, and religious discussions, despise to religious hierarchy, make their habits ridiculous, etc.***

- *Discredit the clergy in front of the faithful in order to lessen their influence, diminishing their prestige.*
- *Destroy the pontifical court. Infiltrate the Vatican to destroy the Papal power.*
- *The King of the Jews will be the true Universal Pope.*
- *Suppression of Christian States.*
- *Not to attack the Church openly, but to criticise it.*

a. Political:

- *Use all possible means of force and hypocrisy.*
- *Politics has nothing to do with ethics.*
- *In politics only pure force wins.*
- *In politics honesty and sincerity result in vice.*
- *To make opposition, money, which we are controlling, is needed.*
- *Moses has imposed upon us the duty to subjugate all nations.*
- *The power of the vote has been the mean with which we have placed ourselves on the thrones.*
- *Under our auspices the populace will destroy the aristocracy.*
- *Our press will dominate governments and will denounce them without any qualms in order to discredit them.*
- *The world will be given peace, only if they obey our laws.*
- *Distract the public with senseless phraseology that seems progressive or liberal.*
- *The organisation of institutions whose members will demonstrate and praise their contributions to progress.*

a. Moral:

- *The end justifies the means.*

- *We must attend to what is necessary and to our advantage, rather than what is good and ethical.*
- *It should not be backed away in the face of corruption, fraud or treason if they serve for the triumph of our cause.*
- *Against the enemy it is not immoral to use all the resources to beat him.*
- *The number of victims is not important for the achievement of our cause.*
- *We have an unlimited ambition, a devouring greed, a merciless wish for revenge and an accumulated hatred.*

a. Human:

- *We own all the gold of the world.*
- *All gentiles are tied to our carriage.*
- *We will never permit the gentiles to participate in any way in our power.*
- *Plebeians will not receive more than crumbs in return for the votes they gave to our agents.*
- *Rightness resides in force.*
- *We all must die. It is better to anticipate death of those who hinder our cause.*

e. Racial arrogance:

- *The Jew or Jehovah is the same and only being. The Hebrew is the living god, the incarnated god. The other men only exist to serve the Hebrew, they are small beasts.*
- *We are the elected by God. We are not vulnerable.*

e. Liberty:

- *Liberty is the right to do what the law allows, and it will only allow that which pleases us.*

- *The abstract meaning of the word "liberty" will permit us convince the mob that the Government represents the Nation.*

During the years following World War II the government of the United States was confronted with a series of events which were to change beyond prediction its future and with it the future of humanity. These events were so incredible that they defied belief. A stunned President Truman and his top Military Commanders found themselves virtually impotent after having just won the most devastating and costly war in history. The United States had developed, used, and was the only nation on Earth in possession of the Atomic Bomb which alone had the potential to destroy any enemy, and even the Earth itself. At that time

the United States had the best economy, the most advanced technology, the highest standard of living, exerted the most influence, and fielded the largest and most powerful military forces in history. We can only imagine the confusion and concern when the informed elite of the United States Government discovered that an alien spacecraft piloted by insect-like beings from a totally incomprehensible Culture had crashed in the desert of New Mexico.

Between January 1947 and December 1952 at least 16 crashed or downed alien craft, 65 alien bodies, and 1 live alien were recovered. An additional alien craft had exploded and nothing was recovered from that incident. Of these incidents, 13 occurred within the borders of the United States not including the craft which disintegrated in the air. Of these 13, 1 was in Arizona, 11 were in New Mexico, and 1 was in Nevada. Three occurred in foreign countries. Of those, 1 was in Norway, and the last two were in Mexico. Sightings of UFO's were so numerous that serious investigation and debunking of each report became impossible utilizing the existing intelligence assets.

An alien craft was found on February 13, 1948 on a Mesa near Aztec New Mexico. Another craft was located on March 25, 1948 in Hart Canyon near Aztec New Mexico. It was 100 feet in diameter. A total of 17 alien bodies were recovered from those craft. Of even greater significance was the discovery of a large number of human body parts stored within both of these vehicles. A demon had reared its ugly head and paranoia quickly took hold of everyone then 'in the know'. The secret lid immediately became an Above Top Secret lid and was screwed down tight. The security blanket was even tighter than that imposed upon the Manhattan Project. In the coming years these events were to become the most closely guarded secrets in the history of the world.

A special group of America's top scientists were organized under the name 'Project Sign' in December of 1947 to study the phenomenon. The whole nasty business was contained within the shroud of secrecy. Project Sign evolved into Project Grudge in December of 1948. A low-level collection and misinformation project named 'Blue Book' was formed under Grudge. 16 volumes were to come out of Grudge including the controversial "Grudge 13" which Bill English and I saw, read, and revealed to the public. "Blue Teams" were put together to recover the crashed discs and dead or alive aliens. The Blue Teams were later to evolve into Alpha Teams under Project Pounce.

During these early years the United States Air Force and the Central Intelligence Agency exercised complete control over the Alien Secret. In fact the CIA was formed by Presidential Executive Order first as the Central Intelligence Group for the express purpose of dealing with the alien presence. Later the National Security Act was passed establishing it as the Central Intelligence Agency. The National Security Council was established to oversee the intelligence community and specially the alien endeavor. A series of National Security Council Memos and Executive Orders removed the CIA from the sole task of gathering foreign intelligence and slowly but thoroughly 'legalized' direct action in the form of covert activities at home and abroad.

On December 9, 1947 Truman approved issuance of NSC-4, entitled "Coordination of Foreign Intelligence Information Measures" at the urging of Secretaries Marshall, Forrestal, Patterson, and the director of the State Department Policy Planning Staff, Kennan.

The Foreign and Military Intelligence, Book 1, "Final Report of the Select Committee to Study Governmental Operations with Respect to Intelligence Activities". United States

Senate, 94th Congress, 2nd Session, Report No 94-755, April 26 1976, p. 49 states: "This directive empowered the secretary of state to coordinate overseas information activities designed to counter communism. A top-secret annex to NSC-4, NSC-4A, instructed the director of Central Intelligence to undertake covert psychological activities in pursuit of the aims set forth in NSC-4. The initial authority given the CIA for covert operations under NSC-4A did not establish formal procedures for either coordinating or approving these operations. It simply directed the DCI to "undertake covert actions and to ensure, through liaison with State and Defense, that the resulting operations were consistent with American policy".

Later, NSC-10/1 and NSC-10/2 were to supersede NSC-4 and NSC-4A and expand the covert abilities even further. The Office of Policy Coordination (OPC) was chartered to carry out an expanded program of covert activities. NSC-10/1 and NSC-10/2 validated illegal and extra-legal practices and procedures as being agreeable to the national security leadership. The reaction was swift. In the eyes of the intelligence community "no holds were barred". Under NSC-10/1 an Executive Coordination Group, was established to review, but not approve, covert project proposals. The ECG was secretly tasked to coordinate the alien projects. NSC-10/1 & /2 were interpreted to mean that no one at the top wanted to know about anything until it was over and successful. These actions established a buffer between the President and the information. It was intended that this buffer serves as a means for the President to deny knowledge if leaks divulged the true state of affairs. This buffer was used in later years for the purpose of effectively isolating succeeding Presidents from any knowledge of the alien presence other than what the Secret Government and the Intelligence community wanted them to know. NSC-10/2 established a study panel which met secretly and was made up of the scientific minds of the day. The study panel was not called MJ-12. Another NSC memo, NSC-10/5 further outlined the duties of the study panel. These NSC memos and secret Executive Orders set the stage for the creation of MJ-12 only 4 years later.

Secretary of Defense James Forrestal began to object to the secrecy. He was a very idealistic and religious man who believed that the public should be told. When he began to talk to leaders of the opposition party and leaders of the Congress about the alien problem he was asked to resign by Truman. He expressed his fears to many people and rightfully believed that he was being watched. This was interpreted by those who were ignorant of the facts this as paranoia. Forrestal later was said to have suffered a mental breakdown and was admitted to Bethesda Naval Hospital. In fact it was feared that Forrestal would begin to talk again and he had to be isolated and discredited. Sometime in the early morning of May 22, 1949, agents of the CIA tied a sheet around his neck, fastened the other end to a fixture in his room and threw James Forrestal out the window. The sheet tore and he plummeted to his death. He became one of the first victims of the cover-up.

The live alien that had been taken from the 1949 Roswell crash was named EBE. Dr. Vannever Bush had suggested the name and was short for Extraterrestrial Biological Entity. EBE had a tendency to lie and for over a year would give only the desired answer to questions asked. Those questions, which would have resulted in an undesirable answer, went unanswered. At some point during the second year of captivity he began to open up and the information derived from EBE was startling to say the least. This compilation of his revelations became the foundation of what would later be called the "Yellow Book". Photographs were taken of EBE which, among others, I and Bill English were to view years later in Grudge 13.

In late 1951 EBE became ill. Medical personnel had been unable to determine the cause of EBE's illness and had no background from which to draw. EBE's system was chlorophyll based and he processed food into energy much the same as plants. Waste materials was excreted the same as plants. It was decided that an expert in botany was called for. A botanist, Dr. Guillermo Mendoza, was brought in to try and help him recover. Dr. Mendoza worked to save EBE until mid 1952 when EBE died. Dr. Mendoza became the expert on alien biology.

In a futile attempt to save EBE and to gain favor with this technologically superior alien race the United States began broadcasting a call for help early in 1952 into the vast regions of space. The call went unanswered but the project continued as an effort of good faith.

President Truman created the super secret National Security Agency by secret Executive Order on November 4, 1952. Its primary purpose was to decipher the alien communications and language and establish a dialog with the aliens. This most urgent task was a continuation of the earlier effort and was code-named SIGMA. The secondary purpose of the NSA was to monitor all communications and emissions from any and all devices worldwide for the purpose of gathering intelligence, both human and alien, and to contain the secret of the alien presence. Project Sigma was successful. The NSA also maintains communications with the Luna base and other secret Space Programs. By Executive Order the NSA is exempt from all laws which do not specifically name the NSA in the text of the law as being subject to the law. That means that if the agency is not spelled out in the text of any and every law passed by the Congress it is not subject to that or those laws. The NSA now performs many other duties and in fact is the premier agency within the intelligence community. Today the NSA receives 75% of the money allotted to the intelligence community. The old saying "where the money goes therein the power resides" is true. The DCI today is a figure-head maintained as a public ruse. The primary task of the NSA is still alien communications but now includes other alien projects as well.

President Truman had been keeping our allies included the Soviet Union, informed of the developing alien problem since the Roswell recovery. This had been done in case the aliens turned out to be a threat to the human race. Plans were formulated to defend the Earth in case of invasion. Great difficulty was encountered in maintaining international secrecy. It was decided that an outside group was necessary to coordinate and control international efforts in order to hide the secret from the normal scrutiny of governments by the press. The result was the formation of a secret society, which became known as the "Bilderburgers". The headquarters of this group is Geneva, Switzerland. The Bilderburgers evolved into a secret world government that now controls everything. The United Nations was then, and is now, an international joke.

In 1953 a new President occupied the White House. He was a man used to a structured staff organization with a chain of command. His method was to delegate authority and rule by committee. He made major decisions but only when his advisors were unable to come to consensus. His normal method was to read through or listen to several alternatives and then approve one. Those who worked closely with him have stated that his favorite comment was "just do whatever it takes". He spent a lot of time on the golf course. This was not at all unusual for a man who had been career Army with the ultimate position of Supreme Allied Commander during the war. A post which carried 5 stars along with it. This President was General of the Army Dwight David Eisenhower.

During his first year in office, 1953, at least 10 more crashed discs were recovered along with 26 dead and 4 live aliens. Of the 10, 4 were found in Arizona, 2 in Texas, 1 in New Mexico, 1 in Louisiana, 1 in Montana and 1 in South Africa. There were hundreds of sightings.

Eisenhower knew that he had to wrestle and beat the alien problem. He knew that he could not do it by revealing the secret to the Congress. Early in 1953 the new President turned to his friend and fellow member of the Council on Foreign relations Nelson Rockefeller for help with the alien problem. Eisenhower and Rockefeller began planning the secret structure of alien task supervision that was to become a reality within 1 year. The idea for MJ-12 was thus born. It was Nelson Uncle Winthrop Aldrich who had been crucial in convincing Eisenhower to run for President. The whole Rockefeller family and with them the Rockefeller empire had solidly backed Ike, (alias for D. David Eisenhower). Asking Rockefeller for help with the alien problem was to be the biggest mistake Eisenhower ever made for the future of the United States and most probably all of humanity.

Within 1 week of Eisenhower's election he had appointed Nelson Rockefeller chairman of a Presidential Advisory Committee on Government Organization. Rockefeller was responsible for planning the reorganization of the government. New Deal programs went into 1 single Cabinet position called the Department of Health, Education and Welfare. When the Congress approved the new Cabinet position in April of 1953, Nelson was named to the post of Undersecretary to Oveta Culp Hobby.

In 1953 astronomers discovered large objects in space, which were moving toward Earth. It was first believed that they were asteroids. Later evidence proved that the objects could only be spaceships. Project Sigma intercepted alien radio communications. When the objects reached the Earth they took up a very high orbit around Equator. There were several huge ships, and their actual intent was unknown. Project Sigma, and a new project, Plato, through radio communications using the computer binary language, was able to arrange a landing that resulted in face to face contact with alien beings from another planet. Project Plato was tasked with establishing diplomatic relations with this race of space aliens.

In the meantime a race of human looking aliens contacted the U.S. Government. This alien group warned us against the aliens that were orbiting the Equator and offered to help us with our spiritual development. They demanded that we dismantled and destroy our nuclear weapons as the major condition. They refused to exchange technology citing that we were spiritually unable to handle the technology that we then possessed. They believed that we would use any new technology to destroy each other. This race stated that we were on a path of self destruction and we must stop killing each other, stop polluting the Earth, stop raping the Earth's natural resources and learn to live in harmony. These terms were met with extreme suspicion, specially the major condition of nuclear disarmament. It was believed that meeting that condition would leave us helpless in the face of an obvious alien threat. We also had nothing in history to help with the decision. Nuclear disarmament was not considered to be within the best interest of the United States. The overtures were rejected.

Later in 1954 the race of large nosed Gray Aliens which had been orbiting the Earth landed at Holloman Air Force Base. A basic agreement was reached. This race identified themselves as originating from a Planet around a red star in the Constellation of Orion which we called Betelgeuse. They stated that their planet was dying and that at some unknown future

time they would no longer be able to survive there. This led to a second landing at Edwards Air Force Base. The historical event had been planned in advance and details of the treaty had been agreed upon. Eisenhower arranged to be in Palm Springs on vacation. On the appointed day the President was spirited away to the base and the excuse was given to the press that he was visiting a dentist.

President Eisenhower met with the aliens and a formal treaty between the Alien Nation and the United States of America was signed. We then received our first Alien Ambassador from outer space. His name and title was His "Omnipotent Highness Krlll", pronounced Krill. In the American tradition of disdain for royal titles he was secretly called "Original Hostage Krlll". You should know that the Alien flag is known as the "Trilateral Insignia". It is displayed on their craft and worn on their uniforms. Both of these landings and the second meeting were filmed. The films exist today.

The treaty stated: The aliens would not interfere in our affairs and we would not interfere in theirs. We would keep their presence on Earth a secret. They would furnish us with advanced technology and would help us in our technological development. They would not make any treaty with any other Earth nation. They could abduct humans on a limited and periodic basis for the purpose of medical examination and monitoring of our development with the stipulation that the humans would not be harmed, would be returned to their point of abduction, that the humans would have no memory of the event, and that the Alien nation would furnish MJ-12 with a list of all human contacts and abductees on a regularly scheduled basis. It was agreed that each nation would receive the Ambassador of the other for as long as the treaty remained in force. It was further agreed that the Alien nation and the United States would exchange 16 personnel each to the other with the purpose of learning, each of the other.

The Alien "Guests" would remain on Earth and the human "Guests" would travel to the Alien point of origin for a specified period of time then return, at which point a reverse exchange would be made. It was also agreed that bases would be constructed underground for the use of the Alien nation and that 2 bases would be constructed for the joint use of the Alien nation and the United States Government. Exchange of technology would take place in the jointly occupied bases. These Alien bases would be constructed under Indian reservations in the 4 corners of Utah, Colorado, New Mexico, Arizona, and 1 would be constructed in Nevada in the area known as S-4 located approximately 7 miles south of the western border of Area 51, known as Dreamland. All alien areas are under complete control of the Naval Department and all personnel who work in these complexes receive their checks from the Navy. Construction of the bases began immediately but progress was slow until large amounts of money were made available in 1957. Work continued on the "Yellow Book".

Project REDLIGHT was formed and experimentation in test flying Alien craft was begun in earnest. A super TOP SECRET facility was built at Groom Lake in Nevada in the midst of the weapons test range. It was code named DREAMLAND. The installation was placed under the Department of the Navy and clearance of all personnel required a "Q" clearance as well as Executive (Presidential) approval. This is ironic due to the fact that the President of the United States doesn't have clearance to visit the site. The Alien base and exchange of technology actually took place in an Area known as S-4. Area S-4 was code named "The Dark side of the Moon."

The Army was tasked to form a super secret organization to furnish security for all Alien tasked projects. This organization became the National Reconnaissance Organization based at Fort Carson, Colorado. The specific teams trained to security projects were called Delta.

A second project code named SNOWBIRD was promulgated to explain away any sightings of the REDLIGHT crafts as being Air Force experiments. The SNOWBIRD crafts were manufactured using conventional technology and were flown for the press on several occasions. Project SNOWBIRD was also used to debunk legitimate public sightings of Alien craft (UFOS). Project SNOWBIRD was very successful and reports from the public declined steadily until recent years.

A multimillion-dollar SECRET fund was organized and kept by the Military Office of the White House. This fund was used to build over 75 deep underground facilities. Presidents who asked were told the fund was used to build Deep Underground Shelters for the President in case of war. Only a few were built for the President. Millions of dollars were funneled through this office to MJ-12 and then out to the contractors and was used to build TOP SECRET alien bases as well as TOP SECRET DUMB (deep underground military bases), and the facilities promulgated by "Alternative 2", throughout the nation President Johnson used this fund to build a movie theater and pave the road on his ranch. He had no idea of its true purpose.

The secret White House underground construction fund was set up in 1957 by President Eisenhower. The funding was obtained from Congress under the guise of "construction and maintenance secret sites where the President could be taken in case of military attack: Presidential Emergency Sites". The sites are literally holes in the ground, deep enough to withstand a nuclear blast and are outfitted with state of the art communications equipment. To date there are more than seventy-five sites spread around the country which were built using money from this fund. The Atomic Energy Commission has built at least an additional 22 underground sites.

The location and everything to do with these sites were and are considered and treated as TOP SECRET. The money was and is in control of the Military Office of the White House, and was and is laundered through a circuitous web that even the most knowledgeable spy or accountant can not follow. As of 1980 only a few at the beginning and end of this web knew what the money was for. At the beginning were Representative George Mahon, of Texas, the chairman of the House Appropriations Committee and of its Defense Subcommittee; and Representative Robert Sikes, of Florida, chairman of the House Appropriations Military Construction Subcommittee. Today it is rumored that House Speaker Jim Wright controls the money in Congress and that a power struggle is underway to remove him. At the end of the line were the President, MJ-12, the director of the Military Office and a commander at the Washington Navy Yard.

The money was authorized by the Appropriations Committee who allocated it to the Department of Defense as a TOP SECRET item in the Army construction program. The Army, however could not spend it and in fact did not even know what it was for. Authorization to spend the money was in reality given to the Navy. The money was channeled to the Chesapeake Division of the navy Engineers who did not know what it was for either. Not even the Commanding Officer, who was an Admiral, knew what the fund was to be used for. Only one man, a Navy Commander, who was assigned to the Chesapeake Division but in reality

was responsible only to the Military Office of the White House knew of the actual purpose, amount, and ultimate destination of the TOP SECRET fund. The total secrecy surrounding the fund meant that almost every trace of it could be made to disappear by the very few people who controlled it. There has never been and most likely never will be an audit of this secret money.

Large amounts of money were transferred from the TOP SECRET fund to a location at Palm Beach, Florida that belongs to the Coast guard called Peanut Island. The island is adjacent to property which was owned by Joseph Kennedy. The money was said to have been used for landscaping and general beautification. Some time ago a TV news special on the Kennedy assassination told of a Coast Guard Officer transferring money in a briefcase to a Kennedy employee across this property line. Could this have been a secret payment to the Kennedy family for the loss of their son John F. Kennedy?. The payments continued through the year 1967 and then stopped. The total amount transferred is unknown and the actual use of the money is unknown.

Meanwhile, Nelson Rockefeller changed positions again. This time he was to take C.D. Jackson's old position which had been called the Special Assistant for Psychological Strategy. With Nelson's appointment the name was changed to the Special Assistant for Cold War Strategy. This position would evolve over the years into the same position Henry Kissinger was ultimately to hold under President Nixon. Officially he was to give "Advice and assistance in the development of increased understanding and cooperation among all peoples". The official description was a smoke screen for secretly he was the Presidential Coordinator for the Intelligence Community. In his new post Rockefeller reported directly, and only, to the President. He attended meetings of the Cabinet, the Council on Foreign Economic Policy, and the National Security Council which was the highest policy-making body in the government.

Nelson Rockefeller was also given a second important job as the head of the secret unit called the Planning Coordination Group, which was formed under NSC 5412/1 in March of 1955. The group consisted of different ad hoc members depending on the subject on the agenda. The basic members were Rockefeller, A representative of the Department of Defense, A representative of the Department of State, and the Director of Central Intelligence. It was soon called the "5412 Committee" or the "Special Group". NSC 5412/1 established the rule that covert operations were subject to approval by an executive committee, whereas in the past these operations were initiated solely on the authority of the Director of Central Intelligence.

By secret Executive Memorandum, NSC 5410, Eisenhower had preceded NSC 5412/1 in 1954 to establish a permanent committee (not ad hoc) to be known as Majority Twelve (MJ-12) to oversee and conduct all covert activities concerned with the alien question. NSC 5412/1 was created to explain the purpose of these meetings when Congress and the Press became curious. Majority Twelve was made up of Nelson Rockefeller, the Director of Central Intelligence Allen Welsh Dulles, the Secretary of State John Foster Dulles, the Secretary of Defense Charles E. Wilson, the Chairman of the Joint Chiefs of Staff Admiral Arthur W. Radford, the Director of the Federal Bureau of Investigation J. Edgar Hoover, and six men from the executive committee of the Council on Foreign Relations known as the "Wise Men". These men were all members of a secret society of scholars that called themselves "The Jason Society", or "The Jason Scholars" who recruited their members from the "Skull and Bones" and the "Scroll and Key" societies of Harvard and Yale.

The "Wise Men" were key members of the council on Foreign Relations. There were 12 members including the first 6 from Government positions thus Majority Twelve. This group was made up over the years of the top officers and directors of the Council on Foreign Relations and later the Trilateral Commission. Gordon Dean, George Bush and Zbigniew Brzezinski were among them. The most important and influential of the "Wise Men" who served on MJ-12 were John McCloy, Robert Lovett, Averell Harriman, Charles Bohlen, George Kennan and Dean Acheson. Their policies were to last well into the decade of the 70s. It is significant that President Eisenhower as well as the first 6 MJ-12 members from the Government were also members of the Council on Foreign Relations.

Thorough researchers will soon discover that not all of the "Wise Men" attended Harvard or Yale and not all of them were chosen for "Skull and Bones" or "Scroll and Key" membership during their college years. You will be able to quickly clear up this mystery by obtaining the book "The Wise Men" by Walter Isaacson & Evan Thomas, Simon and Schuster, New York. Under illustration #9 in the center of the book you will find the caption; "Lovett with the Yale unit, above far right, and on the beach: His initiation into Skull and Bones came at an air base near Dunkirk". I have found that members were chosen on an ongoing basis by invitation based upon merit Post College and were not confined to only Harvard or Yale attendees.

A chosen few were later initiated into the Jason Society. They are all members of the Council on Foreign Relations and at that time were known as the "Eastern Establishment". This should give you a clue to the far-reaching and serious nature of the most secret college societies. The Jason Society is alive and well today but now includes members of the Trilateral Commission as well. The Trilateralists existed secretly several years before 1973. The name of the Trilateral Commission was taken from the alien flag known as the Trilateral Insignia.

Majority Twelve was to survive right up to the present day. Under Eisenhower and Kennedy it was erroneously called the "5412 Committee" or more correctly the "Special Group". In the Johnson administration it became the "303 Committee" because the name 5412 had been compromised in the book "The Secret Government". Actually NSC 5412/1 was leaked to the author to hide the existence of NSC 5410. Under Nixon, Ford and Carter it was called the "40 Committee", and under Reagan it became the "PI-40 Committee". Over all those years only the name changed.

By 1955 it became obvious that the aliens had deceived Eisenhower and had broken the treaty. Mutilated humans were being found along with mutilated animals all across the United States. It was suspected that the aliens were not submitting a complete list of human contacts and abductees to MJ-12 and it was suspected that not all abductees had been returned. The Soviet Union was suspected of interacting with them and this proved to be true. It was learned that the aliens had been and were then manipulating masses of people through secret societies, witchcraft, magic, the occult, and religion. After several Air Force combat air engagements with alien craft it also became apparent that our weapons were no match against them.

In November of 1955 NSC-5412/2 was issued establishing a study committee to explore "all factors which are involved in the making and implementing of foreign policy in the nuclear age". This was only a blanket of snow that covered the real subject of study, the alien question.

By secret Executive Memorandum, NSC 5411 in 1954, President Eisenhower had commissioned the study group to "examine all the facts, evidence, lies, and deception and discover the truth of the alien question". NSC 5412/2 was only a cover that had become necessary when the press began inquiring as to the purpose of regular meetings of such important men. The first meetings began in 1954 and were called the Quantico Meetings because they met at the Quantico Marine Base. The study group was made up of 35 members of the Council of Foreign Relations' secret scholars known as "The Jason Society" or "The Jason Scholars". Dr. Edward Teller was invited to participate. Dr. Zbigniew Brzezinski was the Study Director for the first 18 months. Dr. Henry Kissinger was chosen as the groups Study Director for the second 18 months beginning in November of 1955. Nelson Rockefeller was a frequent visitor during the study.

The second phase meetings were also held at the Marine Base at Quantico Virginia and the group became known as Quantico II. Nelson Rockefeller built a retreat somewhere in Maryland which could only be reached by air for MJ-12 and the study committee so that they could meet away from public scrutiny. This secret meeting place is known by the code name "The Country Club". Complete living, eating, recreation, library, and meeting facilities exist at the location.

The study group was "publicly" closed in the later months of 1956 and Henry Kissinger published what was officially termed the results in 1957 as "Nuclear Weapons and Foreign Policy" by Henry A. Kissinger, Published for the Council of Foreign Relations by Harper & Brothers, New York. In truth the manuscript had already been 80% written while Kissinger was at Harvard. The study group continued veiled in secrecy. A clue to the seriousness Kissinger attached to the study can be found in statements by his wife and friends. Many of them stated that Henry would leave home early each morning and return late each night without speaking to anyone or responding to anyone. It seemed as if he were in another world which held no room for anyone else.

These statements are very revealing. The revelations of the alien presence and actions during the study most have been a great shock. Henry Kissinger was definitely out of character during the time surrounding these meetings. He would never again be affected in this manner no matter the seriousness of any subsequent event. On many occasions he would work very late into the night after having already put in a full day. This behavior eventually led to divorce.

A major finding of the alien study was that the public could not be told as it was believed that this would most certainly lead to economic collapse, collapse of the religious structure, and national panic which could lead into anarchy. Secrecy thus continued. An offshoot of this finding was that if the public could not be told then the Congress could not be told, thus funding for the projects and research would have to come from outside the government. In the meantime money was to be obtained from the military budget and from CIA confidential non-appropriated funds.

Another major finding was the aliens were using humans and animals for a source of glandular secretions, enzymes, hormonal secretions, and blood in horrible genetic experiments. The aliens explained these actions as necessary to their survival. They stated that their genetic structure had deteriorated and that they were no longer able to reproduce. They stated that if they were unable to improve their genetic structure their race would soon cease to exist. We looked upon their explanations with extreme suspicion. Since our weapon were literally useless against the aliens, MJ-12 decided to continue friendly diplomatic relations with them until such time as we were able to develop a technology which would then enable us to challenge them on a military basis. Overtures would have to be made to the Soviet Union, and other nations, to join forces for the survival of the humanity. In the meantime plans were developed to research and construct 2 weapons systems using conventional and nuclear technology, which would hopefully bring us to parity.

The results of the research were Projects Joshua and Excalibur. Joshua was a weapon captured from the Germans which at that time was capable of shattering 4" thick armor plate at a range of 2 miles using low aimed low frequency sound waves, and it was believed that this weapon would be effective against the alien craft and beam weapons. Excalibur was a weapon carried by missile not to exceed 30,000 feet AGL, not to deviate from

designated target more than 50 meters, would penetrate 1,000 meters of tuff hard packed soil such as that found in New Mexico, would carry a 1 megaton warhead, and was intended for use in destroying the aliens in their underground bases. Joshua was developed successfully but never used to my knowledge. Excalibur was not pushed until recent years and now there is an unprecedented effort to develop this weapon.

The events at Fatima in the early part of the century were scrutinized. On suspicion that it was alien manipulation, an intelligence operation was put into motion to penetrate the secrecy surrounding the event. The United States utilized its Vatican moles that had been recruited and nurtured during World War II and soon obtained the entire Vatican study which included the prophecy. This prophecy stated that if man did not turn from evil and place himself at the feet of Christ the planet would self destruct and the events described in the book of Revelations would indeed come to pass. It stated that a child would be born who would unite the world with a plan for world peace and a false religion beginning in 1992. By 1995 the people would discern that he was evil and was indeed the Anti-Christ. World War III would begin in the Middle East in 1995 with an invasion of Israel by United Arab nation using conventional weapons which would culminate in a nuclear holocaust in the year 1999. Between 1999 and 2003 most of the life on this planet would suffer horrible and die as a result. The return of Christ would occur in the year 2011.

When the aliens were confronted with this finding they confirmed that it was true. The aliens explained that they had created us through hybridization and had manipulated the human race through religion, satanism, witchcraft, magic, and the occult. They further explained that they were capable of time travel and the events would indeed come to pass. Later exploitation of alien technology by the United States and the Soviet Union utilizing time travel confirmed the prophecy. The aliens showed a hologram which they claimed was the actual Crucifixion of Christ, which the Government filmed. We did not know whether to believe them or not. Were they using our GENUINE religions to manipulate us? Or, were they indeed the source of our religions with which they had been manipulating us all along? Or, was this the beginning scenario of the Genuine END TIMES and the RETURN OF CHRIST which had been predicted in the Bible? No one knew the answer.

A Symposium was held in 1957 which was attended by some of the great scientific minds then living. They reached the conclusion that by or shortly after the year 2,000 the planet WOULD self destruct due to increased population and mans exploitation of the environment WITHOUT ANY HELP FROM GOD OR THE ALIENS.

By secret Executive Order of President Eisenhower, the Jason Scholars were ordered to study this scenario and make recommendations from their findings. The Jason Society CONFIRMED the finding of the scientists and made 3 recommendations called "Alternatives 1, 2, and 3". "Alternative 1" was to use nuclear devices to blast holes in the Stratosphere from which the heat and pollution could escape into space. Change the human cultures from that of exploitation into cultures of environmental protection. Of the three this was decided to be the least likely to succeed due to the inherent nature of man and the additional damage the nuclear explosions would themselves create. "Alternative 2" was to build a vast network of underground cities and tunnels in which a select representation of all cultures and occupations would survive and carry on the human race. The rest of humanity would be left to fend for themselves on the surface of the planet. "Alternative 3" was to exploit the alien and conventional technology in order for a select few to leave the Earth and establish colonies in outer space. I am not able to either confirm or deny the existence of

"Batch Consignments" of human slaves which would be used for the manual labor in the effort as a part of the plan. The Moon, code named "Adam", would be the object of primary interest followed by the planet Mars, code named "Eve". As a delaying action, ALL THREE ALTERNATIVES included birth control, sterilization, and the introduction of deadly microbes to control or slow the growth of the Earth's population. AIDS is only ONE result of these plans. There are others. It was decided since the population must be reduced and controlled that it would be in the best interest of the human race to rid ourselves of the undesirable elements of our society. The joint U.S. and Soviet leadership dismissed "Alternative 1" but ordered work to begin on Alternative 2 and 3 virtually at the same time.

In 1959 the Rand Corporation hosted a Deep Underground Construction Symposium. In the Symposium report, machines are pictured and described which could bore a tunnel 45 feet in diameter at the rate of 5 feet per hour. It also displays pictures of huge tunnels and underground vaults containing what appear to be complex facilities and possibly even cities. It appears that the previous 5 years of all out underground construction had made significant progress by that time.

The ruling powers decided that one means of funding the alien connected and other black projects were to corner the illegal drug market. A young ambitious member of the Council on foreign relations was approached. His name is George Bush who at the time was the President and CEO of Zapata Oil based in Texas. Zapata Oil was experimenting with the new technology of offshore drilling. It was correctly thought that the drugs could be shipped from South America to the offshore platforms by fishing boat where it would then be taken to shore by the normal transportation used for supplies and personnel. By this method no customs or law enforcement agency would subject the cargo to search. George Bush agreed to help and organized the operation in conjunction with the CIA. The plan worked better than anyone had thought and has since expanded worldwide and there are now many other methods of bringing the illegal drugs into the country. It must always be remembered though that George Bush began sale of drugs to our children. The CIA now controls all the worlds illegal drug markets.

The "official" Space Program was boosted by President Kennedy in his inaugural address when he mandated that the United States put a man on the moon before the end of the decade. Although innocent in its conception this mandate enabled those in charge to funnel vast amounts of money into black projects and conceal the REAL space program from the American people. A similar program in the Soviet Union served the same purpose. In fact a joint alien, United States, and Soviet Union base already existed on the Moon at the very moment Kennedy spoke the words. On May 22, 1962 a space probe landed on Mars and confirmed the existence of an environment which could support life. Not long afterward the construction of a colony on the planet Mars began in earnest. Today cities exist on Mars populated by specially selected people from different cultures and occupations taken from all over the Earth. A public charade of antagonism between the Soviet Union and the United States has been maintained over all these years in order to fund projects in the name of National Defense when in fact we are the closest allies.

At some point President Kennedy discovered portions of the truth concerning the drugs and the aliens. He issued an ultimatum in 1963 to MJ-12. President Kennedy assured them that if they did not clean up the drug problem he would. He informed MJ-12 that he intended to reveal the presence of aliens to the American people within the following year and ordered a plan developed to implement his decision. President Kennedy was not a member of the

Council on Foreign Relations and knew nothing of "Alternative 2" or "Alternative 3". Internationally the Operations were supervised by an Executive Committee known as the "Policy Committee". In the United States they were supervised by MJ-12 and in the Soviet Union by its sister organization. President Kennedy's decision struck fear into the hearts of those in charge. His assassination was ordered by the Policy Committee and the order was carried out by agents of MJ-12 in Dallas.

President John F. Kennedy was murdered by the Secret Service Agent who drove his car in the motorcade and the act is plainly visible in the film. WATCH THE DRIVER AND NOT KENNEDY WHEN YOU VIEW THE FILM. All of the witnesses who were close enough to the car to see William Greer shoot Kennedy were themselves all murdered within 2 years of the event. The Warren Commission was a farce and Council on Foreign Relations members made up the majority of its panel. They succeeded in snowing the American people. Many other patriots who attempted to reveal the alien secret have also been murdered throughout the intervening years.

During the era of the United States initial Space exploration and the Moon landings every launch was accompanied by alien craft. A Moon Base dubbed Luna was sighted and filmed by the Apollo Astronauts. Domes, spires, tall round structures which look like silos, huge "T" shaped mining vehicles which left stitch-like tracks in the Lunar surface, and extremely large as well as small alien craft appear in the photographs. It is a joint United States, Russian, and Alien base. The space program is a farce and an unbelievable waste of money. Alternative 3 is a reality and is not at all science fiction. Most of the Apollo Astronauts were severely shaken by this experience and their lives and subsequent statements reflect the depth of the revelation and the effect of the muzzle order which followed. They were ordered to remain silent or suffer the extreme penalty, death, which was termed an "expediency". One Astronaut actually did talk to the British producers of the TV expose "Alternative 3" confirming many of the allegations.

In the book "Alternative 3" the pseudonym "Bob Grodin" was used in place of the Astronaut's identity. It was also stated that he committed suicide in 1978. This cannot be validated by any source and I believe that several so-called facts in the book are really misinformation. I firmly believe that this misinformation is a result of pressure put upon the authors and is meant to nullify the effect upon the populace of the British TV expose entitled "Alternative 3". The headquarters of the International conspiracy is in Geneva, Switzerland. The ruling body is made up of Representatives of the Governments involved as well as the Executive members of the group known as "The Bilderburgers". Meetings are held by the "Policy Committee" when necessary on a Nuclear submarine beneath the Polar ice cap. The secrecy is such that this was the only method which could insure that the meetings could not be bugged. I can say that the book is at least 70% true from my own knowledge and the knowledge of my sources. I believe that the misinformation was an attempt to compromise the British TV espouse with information which could be proven false, just as the "Eisenhower Briefing Document" was released here in the United States under the contingency plan "Majestic twelve", and which can also be proven false.

Since our interaction with the aliens began we have come into possession of technology beyond our wildest dreams. A craft named Aurora exists at Area 51 which makes regular trips into space. It is a one stage ship called a TAV (trans atmospheric vehicle) and it can take off from the ground using a 7 mile runway, go into high orbit, return on its own power, and land on the same runway. We currently have and fly atomic powered alien type craft at

Area S-4 in Nevada. Our pilots have made interplanetary voyages in these craft and have been to the Moon, Mars, and other planets aboard these craft. We have been lied to about the true nature of the moon, the planets Mars and Venus and the real state of technology that we possess today at this very moment.

There are areas on the Moon where plant life grows and even changes color with the seasons. This seasonal effect is because the Moon does not, as claimed, always present the exact same side to the Earth or the sun. There is an area that wobbles in and out of darkness on a seasonal basis and it is near this area that the plant life grows. The Moon does have a few man made lakes and ponds upon its surface and clouds have been observed and filmed in its atmosphere. It possess a gravitational field and man can walk upon its surface without a space suit breathing from an oxygen bottle after undergoing decompression the same as any deep sea diver. I have seen the photographs and some of them were actually published in the book "We Discovered Alien Bases On The Moon" by Fred Steckling.

In 1969 a confrontation broke out between the human scientists and the aliens at the Dulce underground lab. The aliens took many of our scientists hostage. Delta forces were sent in to free them but were no match against the alien weapons. 66 of our people were killed during this action. As a result we withdrew from all joint projects for at least 2 years. A reconciliation eventually took place and once again we began to interact. Today the alliance continues.

When the Watergate scandal broke, President Nixon had intended to ride out the storm confident that he could not be impeached. MJ-12, however had a different agenda. The intelligence community rightfully concluded that an impeachment trial would open up the files and bare the awful secrets to the public eye. Nixon was ordered to resign. He refused and so the first military coup ever to take place in the United States was promulgated. The Joint Chiefs of Staff sent a TOP SECRET message to the Commanders of all the U.S. armed forces throughout the world. It stated, "Upon receipt of this message you will no longer carry out any orders from the White House. Acknowledge receipt." This message was sent a full 5 days before Nixon conceded and announced publicly that he would resign. I personally saw this message. When I asked my commanding officer what he would do as obviously the order violated the Constitution, I was told, "I guess I will wait to see if any orders come from the White House and then I will decide". I did not see any communication from the White House but that does not mean that none was sent.

During all the years that this has been happening the Congress and the American people have seemed to know instinctively that something was not right. When the Watergate scandal surfaced they jumped on the bandwagon and everyone thought that the agencies would be cleaned out. President Ford organized the Rockefeller Commission to do the job. At least that is what everyone thought. His real purpose was to head off the congress and keep the cover-up going. Nelson Rockefeller who headed the commission investigating the intelligence community was a member of the Council on Foreign Relations and was the one who helped Eisenhower build the MJ-12 power structure. Rockefeller uncovered only enough to keep the hounds at bay. He threw the Congress a few bones and the cover-up rolled merrily along as always.

Later Senator Church would conduct the famous Church hearings. He also was a prominent member of the Council on Foreign Relations and he only repeated the Rockefeller act. Again the cover-up prevailed. When Iran Contra came along we thought this time it had to

come gushing out. Wrong again. Despite mountains of documents that pointed to drug smuggling and other hidden monsters, the cover-up sailed through. The Congress even seemed to go out of its way to duck the issues that were just under the surface. Could it be that Congress knows the whole thing and won't touch it? Are they among the select who have been picked for the Mars colony when the Earth begins to destruct?

I cannot even begin to outline the entire financial empire controlled by the CIA, the NSA, and the Council on Foreign Relations that controls and launders the money from drugs and other intelligence community proprietary ventures but I can tell you the little that I know. The amount of money is beyond anything you can imagine and is hidden in a vast network of banks and holding companies. You should first begin to look at the J. Henry Schroder Banking Corporation, the Schroder Trust Company, Schrodgers Limited (London), Helbert Wagg Holdings Limited, J. Henry Schroder – Wagg & Co. Limited, Schroder Gerbruder and Company (Germany), Schroder Munchmeyer Hengst and Company, Castle Bank and its holding companies, the Asian Development Bank, and the Nugan Hand octopus of banks and holding companies.

A contingency plan was formulated by MJ-12 to throw everyone off the trail should they come close to the truth. The plan was known as MAJESTIC TWELVE. It was implemented with the release by Moore, Shandera, and Friedman of the purported genuine "Eisenhower Briefing Document". The document is a fraud. The document lists the Executive Order as #092447. A number which does not exist and will not exist for quite a long time at the present rate. Truman wrote Executive Orders in the 9,000 range, Eisenhower wrote in the 10,000 range, Ford was up to the 11,000 bracket, and Reagan got only into the 12,000 numbers. Executive Orders are numbered consecutively no matter who occupies the White House for reasons of continuity, record keeping, and to prevent confusion. The Executive Order is only 1 of several fatal flaws contained within the document. The plan so far has thrown the entire research community off the trail for several years and has resulted in the wasted expenditure of money looking for information which does not exist. It resulted in the total waste of a grant by the Fund For UFO Research of \$16,000 which was given to Stanton Friedman to research the information. Many thousands of man-hours have gone into looking for a "red herring". If you doubt the secret government's ability to run you through the rose garden you had better think again.

Another contingency plan is in force and is working upon you today. It is the plan to prepare the public for eventual confrontation with an alien race. The public is being bombarded with movies, radio, advertising, and TV depicting almost every aspect of the true nature of the alien presence. This includes the good and the bad. Look around and pay attention. The aliens are planning to make their presence known and the government is preparing you for it so that there will be no panic.

The worst contingency plan has also been implemented and is at work right now. For many years now they have been importing drugs and selling them to the people and mainly the poor and the minorities. Social Welfare programs were put into place to create a dependent non-working element of our society. They then began to remove the social welfare programs in order to develop a large criminal class that did not exist in the 50's and early 60's. They encouraged the manufacture and importation of deadly military firearms for the criminal element to use. This was intended to foster a feeling of insecurity which would lead the American people to voluntarily disarm themselves by passing laws against firearms. Incidents were to be staged to speed up the process. By using drugs and hypnosis in a

process called Orion on mental patients, the CIA inculcated the desire in these people to open fire on schoolyards and thus inflame the anti-gun lobby. This plan is well underway and so far is working exactly as planned. This plan must not succeed.

Due to the wave of crime sweeping the nation they will convince the American people that a state of anarchy exists within the major cities. They are now building their case almost nightly on TV and daily in the newspapers. When public opinion has been won over to this idea they intend to state that a terrorist group armed with a nuclear weapon has entered the United States and that they plan to detonate this device in one of our cities. The government will then suspend the Constitution and declare Martial Law. The secret alien army of implanted humans and all dissidents, which translates into anyone they choose, will be rounded up and will be placed in concentration camps which already exist throughout the country. They are each 1-mile square. Are the people whom they intend to place in these concentration camps destined to make up the reported "batch consignments" of slave labor needed by the Space Colonies? The media, radio, TV, newspapers, and computer networks will be nationalized and seized. Anyone who resists will be taken or killed. This entire operation was rehearsed by the government and military in 1984 under the code name REX-84 and it went off without a hitch. When these events have transpired the SECRET GOVERNMENT and/or ALIEN takeover will be complete. Your freedom will never be returned and you will live in slavery for the remainder of your life. You had better wake up and you had better do it now.

Phil Klass is an agent of the CIA and this was stated in the documents which I saw between 1970 and 1973. One of his jobs as an aviation expert was to debunk everything to do with UFOS. All military commanders were instructed to call him to gain information on how to debunk and/or explain UFO contacts and/or sightings to the public and/or the press if and when the need arose.

William Moore, Jaimie Shandera, and Stanton Friedman are either witting (with knowledge) or unwitting (being used without knowledge) agents of the secret government. I prefer to believe that they are unwitting although William Moore's reported use of a Defense Investigative Service ID card and his reported self confession to Lee Graham that he was an agent of the government makes me seriously doubt it, if the reports are true. Lee Graham called me at my home, and when asked, he confirmed that Moore had indeed done this.

Stanton Friedman has told many others and me that years ago he "helped develop a nuclear reactor, to power an aircraft, that was the size of a basketball, was clean, turned out hydrogen, and worked like a dream". His words not mine. The only fuel which could go into such an engine and produce hydrogen as a by-product is water and that is precisely what at least one type of alien craft runs on, nuclear energy and water. The only place in the universe at that time to get such technology was from the aliens. Is he really unwitting? I do not know. He was a member of the Moore, Shandera, and Friedman research team and it was they who implemented the MAJESTIC TWELVE contingency plan.

In the documents which I saw between 1970 and 1973 names of individuals were listed who were to be targeted for recruitment in order that the contingency plan known as MAJESTIC TWELVE could be introduced to the public by persons known and respected by the public. Bruce Macabee, Stanton Friedman, and William Moore were among those listed. I do not know if the recruitment actually took place or not. I do know that the subsequent

events do not seem to indicate that Bruce Macabee is involved but the actions of Stanton Friedman and William Moore are highly suspect.

I know that all of the major UFO research organizations were targeted for infiltration and control by the secret government just as NICAP was infiltrated and controlled. I believe that these efforts have been successful. It is very possible that the major UFO publications are also controlled.

Today MJ-12 still exists and operates as just as it always has. It is made up of the same structure, 6 from the same positions in government, and 6 from the Executive members of the Council on Foreign Relations and/or the Trilateral Commission. The Majority Agency for Joint Intelligence is publicly known as The Senior Interagency Group (SIG).

In closing it is most important to understand that the Council on Foreign Relations and its offshoot the Trilateral Commission not only control but also own this country. Long before World War II they were instrumental in helping to decide policy for the United States Government. Since World War II they have been the ONLY source of policy for the United States Government. The Council on Foreign Relations, the Trilateral Commission and their foreign counterparts report to the Bilderburgers. Almost every high level government and military official of any consequence since World War II including Presidents have been members of the Council on Foreign Relations and/or the Trilateral Commission. All American members of the Trilateral Commission has either been or is a member of the Council on Foreign Relations.

Each foreign nation of any importance has its own offshoot of the Council on Foreign Relations and the members of each country interact with those of other countries through the Bilderburgers to further their common goals. The foreign members of the Trilateral Commission belong to their respective organizations. Even a cursory investigation by the most inexperienced researcher will show that the members of the Council on Foreign Relations and the Trilateral Commission control the major foundations, all of the major media and publishing interests, the largest banks, all the major corporations, the upper echelons of the government, and many other vital interests. Their members are elected and appointed because they have all the money and special interests behind them. All, that is, except the peoples. They are undemocratic and do not in any way represent the majority of the United States of America. These are the people who will decide who survives the coming holocaust and who does not.

The Bilderburgers, the Council on Foreign Relations and the Trilateral Commission are THE SECRET GOVERNMENT and rule this nation through MJ-12 and the study group known as the Jason Society or Jason Scholars and the top echelon of the government which consists mostly of their members.

Throughout our history the Aliens have manipulated and/or ruled the human race through various secret societies, religion, magic, witchcraft, and the occult. The Council on Foreign Relations and the Trilateral Commission are in complete control of the alien technology and are also in complete control of the nation's economy. Eisenhower was the last President to know the entire overview of the alien problem. Succeeding Presidents were told only what MJ-12 and the Intelligence Community wanted them to know and believe me, it was not the truth.

MJ-12 has presented each new President with a picture of a lost alien culture seeking to re-new itself, build a home on this planet, and shower us with gifts of technology. In some cases the President was told nothing. Each President in turn has bought the story or no story at all, hook, line, and sinker. Meanwhile innocent people continue to suffer unspeakable horrors at the hands of the alien and human scientists who are engaged in barbarous research that would make even the Nazis look like Sunday school children. As if that is not enough many people end up as food for the insatiable alien appetite for biological enzymes, glandulars, hormonal secretions, and blood. Many people are abducted and are sentenced to live with psychological and physical damage for the rest of their lives. In the documents I saw, 1 in 40 humans had been implanted with devices the purpose of which I have never discovered. The government believes that the aliens are building an army of human im- planted, which can be activated and turned upon us at will. You should also know that to date we have not even begun to become close to parity with the aliens. Is this technology worth it?

I sent 536 copies of a "Petition to Indict" to every member of the Senate and House of Rep- resentatives on April 26, 1989. As of this date, May 23, 1989, I have only received 2 replies. One reply was from Senator Daniel P. Moynihan and the other from Senator Richard G. Lu- gar. Both stated that they were sending my correspondence to Senator Cranston and Sena- tor Wilson of California as a normal custom and courtesy. Both assured me that MY Sena- tors will promptly assist me in this matter. I have yet to hear from anyone from the State of California or from any other State for that matter aside from the two mentioned above.

The conclusions are inescapable.

1. The secret power structure believes that, because of our own ignorance or by Divine decree, planet Earth will self destruct sometime in the near future. These men sin- cerely believe that they are doing the right thing in their attempt to save the human race. It is terribly ironic that they have been forced to take as their partner an Alien race which is itself engaged in a monumental struggle for survival. Many moral and legal compromises have been made in this joint effort. These compromises were made in error and must be corrected and those responsible should be made to ac- count for their actions. I can understand the fear and urgency that must have been instrumental in the decision not to tell the public. Obviously I disagree with this deci- sion. Throughout history small but powerful groups of men have consistently felt that they alone were capable of deciding the fates of millions and throughout history they have been wrong. This great Nation owes its very existence to the Principles of Free- dom and Democracy. I believe with all my heart that the United States of America cannot and will not succeed in any effort that ignores those Principles. Full disclosure to the public should be made and we should proceed to save the human race to- gether.
2. We are being manipulated by a joint human/alien power structure which will result in the partial enslavement of the human race. We must use any and every means avail- able to prevent this from happening.
3. The government has been totally deceived and we are being manipulated by an al- ien power which will result in the total enslavement and/or destruction of the human race. We must use any and every means available to prevent this from happening.
4. Something else is happening which is beyond our ability to understand at this time. We must force disclosure of all the facts, discover the truth and act upon the truth.

In any case we MUST force disclosure of the truth or no matter what happens we will surely deserve it. The situation in which we find ourselves is due to our own actions or inactions over the last 44 years. It is our own fault and we are the only ones who can change it. Through ignorance or misplaced trust we as a people have abdicated our role as the "watchdog" of our government. Our government was founded "of the people, for the people, by the people". There was no mention or intent to ever abdicate our role and place our total trust in a handful of men who meet secretly and decide our fate for us. In fact the structure of our government was designed to prevent that from ever happening. If we had done our jobs as citizens this could never have happened. Most of us are completely ignorant as to even the most basic functions of our government. We have truly become a nation of sheep. Sheep are always eventually led to slaughter. It is time to stand up in the manner of our forefathers and walk like men. I remind you all, that the Jews of Europe marched obediently to the ovens, after having been warned, believing all the while that the facts could not possibly be true. When the outside world was told of the holocaust occurring in Hitler's Europe it was not believed. I state here and now that Hitler was manipulated by these same aliens.

I have brought you the truth as I know it. I do not care what you think of me. I have done my duty and no matter what fate lies in store for me, I can truly meet my maker with a clear conscience. I believe first in God. The same God that my ancestors believed in. I believe in Jesus Christ and that he is my Savior. I believe second in the Constitution of the United States of America as it was written and meant to work. I have given my oath to protect and defend the Constitution of the United States of America against all enemies foreign and DOMESTIC. I intend to fulfill that oath.

Thank you,

Milton William Cooper

An Interview with John Lear

25 November 1989

- Welcome back. It has been a long absence.

L: It sure has.

- Your absence has the public wondering what happened.

L: Well, I was the host for the MUFON Conference in Las Vegas. There were about twelve speakers and we accomplished a lot. There was a lot of information given out. To my absolute surprise and shock I was called into the airline that I worked for, about five days after the conference. I met with senior airline officials and they asked me "You don't really believe all this stuff, do you?" "Well, yes sir I do", I said. "Why?" they asked. I gave them about a ten-minute rundown on my research in the past three years and they said, "We just can't have anybody who believes this stuff flying for our company. What if our passengers found out?". I was summarily terminated. It was a great shock to me. I had many, many years of seniority as a captain with this company. I had to get out and hustle for another job. With my qualifications, I didn't have much trouble finding another one... it was a while before I got my life sorted out. During that time I haven't had time to get involved, although I have been keeping abreast of the situation.

- I take it you were refusing any and all interviews during this period..

L: Yes, I was so busy getting into the new job..

- Did you feel like you've been burned by your belief, in so far as you went public and lost your job?

L: No. I just felt sorry for these people who have not keep abreast of the events and who really and sincerely believe that nothing is going on. I really felt sorry for them because they were so ignorant.

- One thing is absolutely clear. Something is going on. I would guess that you would say, "They are Here"...

L: Yes. Beyond a shadow of a doubt. Since I last talked to you I have seen one. I was taken out to a desert test center by a theoretical physicist who worked directly for the Navy, and he told me, "We're going to flight tonight. Would you like to see it?". I went out into the desert and watched it fly. It was kind of interesting, although it wasn't a shock to me because I knew they were there. I said "So what else is now?"

- That would be Robert Lazar?

L: Yes. We kept his name confidential for the year that we knew what he was doing. He came public here about a week ago on Channel 8's two-week UFO special.

- You worked closely with Robert Lazar for a period of time. How much of that story can you tell us?

L: Most all of it. There are some aspects of it that I cannot discuss to the public. You know what I am taking about.

- Yes.

- Is that area called Area 51?

L: Well, Let me explain that what is known as the Test Site is an enormous area that borders between Caliente, Tonopah and Las Vegas. The very center of it called Area 51. It's a 10 mile by 10 mile square which is called by various names. It's called Groom Lake, Watertown, The Area, The Spot... all kinds of different names... the Red Square and Dreamland are two more. A lot of secret testing goes on there. The U-2, the SR-71, and Aurora have been tested there.

- What about the Aurora?

L: Well, the Aurora is the follow-on for the SR-71. It cruises at mach 10 and has a ceiling of 285,000 feet. It is a three man aircraft that was built by General Dynamics. It is methane powered and currently operates out of Groom Lake. There are a lot of other secret programs that go on up there. The area called S-4 is where the saucers are flown. It's approximately 10 miles southwest of Groom Lake. This is where they kept the nine extraterrestrial saucers that the government works on under a Navy project. Let me tell you. There are a lot more saucers, but they are kept in various other areas. They are working on these specific disks in order to get some of the technology out of them. The technology is so far advanced that there is very little hope of us using any of it. The other saucers are kept at Wright Patterson AFB, Kirtland AFB, Homestead AFB... there are about five other bases that they're kept at. The last one that they recovered – the one that crashed in the desert in Botswana in May 1989 was taken to Wright Patterson in June and then it was transferred to Kirtland AFB sometime this year. It is now presently at Kirtland.

- If a reporter wanted really convincing footage of a UFO, is there a place that he could go?

L: Yes, they could go to the road to the east of Rachel, Nevada and shoot to the south. It's at sunset that they fly, and there's no problem. The problem is that they expect to get things in 15 minutes. Most of the reporters are young and are just getting into this stuff. They show the same films on television that they have been showing for the last 20 years. They often test on Wednesday nights at Groom Lake.

- Are you familiar with the F-117A?

L: Yes, The F-117A is the Stealth fighter. It has been operational since 1981. The first derivatives of the Stealth have been flown since 1981. It is flown out of the Tonopah Test Range, which is in the extreme northwest corner of the test site. It was tested at Groom Lake, but it doesn't fly much there anymore.

- What would you see if you went up there?

L: You would see the same thing I saw when I was invited up there March 22nd. In the distance, it looked like a dancing light. When I looked at it through a Celestron telescope it was definitely a disk. I saw it and others also saw it.

- They have something up there.

L: There's no doubt about it. Bob Lazar took a lie detector test and he was on Channel 8. He told people what the propulsion was about. It uses gravity amplifiers. When he took us out there one time the security forces caught us. It was legal for us to be on BLM land, but they have these storm troopers out there that work for the government. They come out and harass you. They know they can't legally kick you out of there but they can certainly make it uncomfortable for you. They made it uncomfortable for us – certainly for Bob Lazar. They terminated his job with EG&G the next day. When he showed up to work one of the security officers put a gun in his hand. It was an unpleasant experience, but that's the way the government operates.

- One of the things that Channel 8 pointed out is that all of a sudden Bob had no school records or records of employment. They had all been erased.

L: Yes. He has two degrees from MIT. He attended Pierce College and Caltech. He worked at Los Alamos on the SDI project. He is a very brilliant scientist.

- If he attended all these schools, what about diplomas?

L: They exist. I've seen them. The only news media that has a full copy of all his employment records and all his degrees is the Review Journal in Las Vegas, and they called Los Alamos and received all that information Fedex in May 1989.

- What happens to Robert Lazar now? He is virtually a non-being.

L: He has his own business locally in which he works every day.

- One time you stated that we have the alien technology and that we have the ability to study it in one way. How does that jibe with the fact that we appear to be flying these disks? We are obviously mastering some of their technology to be able to go that far.

L: Well, we can fly it but can't build it. It's as if you took a SR-71 and dropped it into a WWI air base. There are some things that we have built with the technology that we have attained, but these are airplanes that the public has never seen and probably will never see.

- Much of the media suggests that the alien are warm, fuzzy ET's that are benevolent. It occurred to me that since they are here and they haven't gone public, that they could just as easily be bad guys as good guys.

L: That certainly what I believe. If they were good guys, don't you think that the government would want to release information about them after 40 years of contact? Would they tell us why they haven't cured cancer, etc? If this is going on then the government would want to take advantage and claim credit for advances in science and medicine, but this doesn't seem to be the case. It is apparent to me that this particular group of aliens that the government made arrangements with are not a good group of people. We are being visited by approximately 70 different races. The government, in 1963, was aware of 17 species according to the Grudge 13 report. Since then, there have been other species discovered. The ones that the government made the deal with in the late 1960's, the ones known as the Greys, are the ones that are giving us a problem.

- What are some of the main types of species that are here?

L: The trade of technology was made with the Grey skinned beings about 4 feet tall with oversized heads. They have the almond shaped eyes. They have the arms that come down below their knees. They have four fingers. Two are longer than the others and they're partially webbed. They have claws on the end. That's one type. There's another type that's about the same height with a more roundish type head and roundish eyes. These are the ones that are supposedly from Zeta Reticuli. We have ones that look like

humans. There are all kinds of different ones. I have no doubt that some of those are friendly, but the ones we have the problems with are the Greys.

- If some of the aliens are bad and wish us ill will, then you could almost understand why the government must be in a desperate search to try and understand and duplicate their technology so that we could defend ourselves. Does that make sense?

L: That makes sense, and that's exactly what's going on. You have to understand that this is the biggest and most important secret in the history of mankind. The people that are involved in this programs have to sign a security oath and also a piece of paper saying that they agree to give up their Constitutional Rights to a fair trial if they get into the program. That means if they divulge information they can be killed or committed for the rest of their lives to a mental institution.

- How does that bear on what Robert Lazar has done going public?

L: Well, it's only been a week since he made his statements. We're waiting to see what happens.

- Do you think that some guys in black suits are going to walk in and...

L: I don't know. His friends are worried about him. That's where it stands.

- I bought the book "Alien Harvest" by Linda Howe, and it's an excellent book that I would recommend to anyone.

L: I would too. I spent a lot of time researching with Linda Howe and drove through Colorado, Arizona and New Mexico with her on some of my research. She's a very knowledgeable lady.

- You mentioned that she had information relating the Kennedy assassination and UFO's, and I wonder if you could shed some light on that. She really didn't cover it in the book.

L: Well, to digress a moment, there were two times that the Government was going to tell the people about the existence of flying saucers and aliens. The first time was in 1972 when MJ-12 contracted Grey Advertising in Los Angeles and had them write a documentary which was called "UFO's are Real". Robert Emmanegger was the man who wrote it, and he was taken to Norton AFB and shown still photos of the original film of the landing at Holloman AFB in New Mexico which occurredand narrated by Rod Serling. It was essentially a whole history of UFO's and at the

end of the documentary they were going to have the actual footage of the saucer landing and the aliens getting out. What happened was Watergate. The powers to be decided that the public could not handle two traumatic experiences at one time, so they cancelled the release to the public. They did however, release the documentary. At the end they replaced the motion picture footage of the actual event with drawings. Rod Serling says, "let's consider an event that may happen in the future or already may have happened". Of course it had happened.

The second time the Government was going to let the public know some of what was going on was in 1983 when they contacted Linda Howe. Linda Howe was the go-between between MJ-12 and Home Box Office (HBO). She was to have access to 68,000 feet of motion picture film of disks, landing, etc. She was also to meet one of the aliens, designated EBE-II, who was kept at Los Alamos National Laboratories in New Mexico.

I have since talked with a scientist who worked there and who verified that it was approved for her to meet the alien. For some reason, all of this did not come off and the project was cancelled. During the time that Linda Howe functioned as the go-between between MJ-12 and HBO, she was talked in more or less an effort to let her know how serious this was, that the powers to be had to eliminate President Kennedy because he wanted to release the information on the disks and the aliens in 1963. Since then, we have talked to people to have heard the recording made in the Oval Office when Kennedy pounded his fist and told the representatives of MJ-12, "you guys better get your stuff together because I'm going to tell the public".

- There are people who would suggest that this is just why he was assassinated.

L: There were several reasons why he was assassinated. One was the Bay of Pigs fiasco, another was that he had threatened to "shatter the CIA in to a thousand pieces". A third reason was because he threatened to pull out all Americans from Vietnam by 1965. The fourth was that he intended to expose the alien-disk cover-up.

- A lot of people may not understand what MJ-12 is.

L:

.....
.....President Truman by Executive Order on September 24, 1947, approximately two months after they recovered the

first disk near Roswell, New Mexico. Their job was to report to the President on the technology and maintain the cover-up. The group has been in control of every major decision in the United States since that time.

- Why has it been so long since a major incident like Roswell has come into the public eye?

L: It shows the extent and effort put into the cover-up. They've done one hell of a job.

- How far have we flown the craft that we have?

L: I don't know for a fact. I assume from what I have heard that we have gone to the Moon and several of the planets. I say that because a friend of mine has seen photos taken on Mars which indicate that there are cities, with buildings, doors and windows.

- Recently there was a reported sighting in the Soviet Union where several entities approximately nine feet tall emerged from a spacecraft. Where do these people fit in your catalogue of fuzzy people? Who in the Government appoints MJ-12 successors? If Mr. Lazar is committed by the government for telling what he knew, are the psychologists there sworn to secrecy too?

L: I'm sure the Soviet sighting is credible. I have personally never heard of entities that are nine feet tall, although that does not mean they don't exist.

The last questions demonstrate some little knowledge of how the government works. MJ-12 appoints their successors. All of the original MJ-12 are dead. The last to die was Gordon Grey around 1983. We don't know all the names of the current MJ group. I can give you some names of people who are heavily involved in the cover-up. One is Edward Teller, the so called "father of the H Bomb", who hired Robert Lazar to work at the Test Site. Dr. Teller is in charge of the disk program up at the Test Site.

- He's also the father of the Star Wars program. How does that fit into all of this? Brilliant pebble.

L: I don't know anything about the Star Wars except that it does what it was designed to do but was finished in 1984. All the money that is being appropriated for Star Wars at this moment is being diverted to other programs including the programs at S-4.

- If that's so, it points to the desperate nature of the work going on at Area 51.

L: That's right. In answer to the last question about Robert Lazar if he was committed, the people who would do that would not employ people who would reveal the information.

One of the persons

who.....time is Paul Bennewitz. We all know that he was the father of exposing all this stuff in 1979. He ran Thunder Scientific Corporation, who made temperature monitoring equipment for the Air Force. He lives in Albuquerque, New Mexico. His house faced toward the Manzano Weapons Storage Area. He was the first one to get pictures of disks taken off and landing there at Kirtland AFB. He took this photos down to Kirtland and said something like, "hey you guys, look at what's going on!". They were so shocked that it took them about six years to get him in an asylum. He has not done much since he emerged from there.

- If Robert Lazar has worked with this disks and he has signed a Security Agreement, as well as made the information. If they come to him in any way at all right now, won't they just lend credence to his story?

L: That's what we would think. That's what we are hoping – that he'll be safe by making this statements. It will be interesting to see what will be happening in the next few weeks with Bob.

- Do you know if S-4 pumps out any frequencies that we can listen to?

L: All communications there are done on VHF and UHF. If you go up there with a frequency counter and a scanner, you can find out what frequencies they're transmitting on. The guards, up until last friday, transmitted on 138.3 but when they changed it when they found out that it was public knowledge. If you go up there and monitor UHF, you can actually hear them talking from the ground to the disks at 220 Megacycles.

- Have you seen an alien?

L: No Sir, I have not.

- Have you seen a disk?

L: Yes, I did see the one that government flew on march 22nd, and that's the only one I've ever seen.

- How big it was?

L: Well, it was about three miles from where we were standing to the Groom Lake area. I'm not very good at sizes, but I would imagine that it had a diameter of from 30 to 50 feet.

- Is Tesla technology involved in this?

L: I'm sure it is, but like I said, I'm just an airplane pilot and I don't know about that stuff.

- What can you say about Forrestal?

L: Forrestal was the secretary of Defense. He was one of the original MJ-12 team put together by President Truman. They say he committed suicide in 1950 but that was not the case. In fact, he was thrown out the hospital window with his arms tied behind his back.

- Who did it?

L: Your guess is as good as mine.

- Can humanity handle all this? Wouldn't religion and the economy be disrupted?

L: It probably would, and that's probably why it's a secret. Everybody that I have talked to about this...when they realize that this information may be true, their first question is, "well what about God?". After the George Knapp special and the Lazar thing, I haven't heard of any suicides around Las Vegas.

- On November 24th NASA announced plans to have a manned mission to the moon for 30 days in the year 2001, and to establish a nuclear powered base on the moon as a stepping stone to a Mars flight. Comment?

L: I hate to dissappoint you, but most of us are not going to make it to the year 2001.

- Why?

L: If you listen to the tape made by Dr. Strecker on AIDS, which was created by government, seventy-five percent of the earth's population, will be dead by 1996. They are going to try to keep the earth's population at 25%. Look at the tape. It will tell you how and when the AIDS virus was made. Contact the Strecker Institute in Los Angeles

for more information. The government will stop the virus when the population reaches 25 percent.

- How do you reconcile flying saucers and the idea of God?

L: Well, if UFO's are real, either God had something to do with it or He didn't. If God have something to do with it, who built the flying saucers? If God didn't have anything to do with it, who built the flying saucers? I know more about this, but it may be something the public should not know at this time.

- Do you mean we're not ready to know it?

L: No I don't think so. It would be very frightening to most people, to say the least. The public has a hard time grasping the idea of flying saucers – how are they going to grasp the absolute.....?
.....?

- I was stationed at Kirtland AFB in Albuquerque, New Mexico?

L: What year, sir?

- Between 1951 and 1953

L: Those were very interesting years.

- I had a minor administrative position, but I was stationed with a unit that was dealing with flying saucers while I was there. My position didn't allow me too much exposure, but my best friend who was stationed with me was involved. The thing I wanted to tell you was that I talked to a Tech Sergeant that was involved in the B-29 atomic program there. He told me that during the Second World War he saw a flying saucer disassembled at Norton AFB, and he was subsequently transferred to Aniwetok Island in the Pacific after it was discovered that he knew it.

L: Norton AFB was a very important facility. It was the repository of most of the motion picture film that the government has on UFO's and there were a number of disks kept there.

- The organization that I was with had thousands of feet of film that showed different kinds of flying objects.

L: That's very interesting. 1952 was a very interesting year. They flew over the White House during a two week period in the year.

- I have gotten ahold of a copy of the book called MATRIX. How much of that do you believe is true?

L: There is a lot of very interesting information in that book. A great deal of it came right off my desk. If you could ask me about a specific document?

- How about the Krill papers?

L: The Krill papers were written by the same person who wrote the MATRIX, and both he and I have done a tremendous amount of research, and he just used the name Krill because he works in a very sensitive position and didn't want his name known. Those are basically his ideas.

- With the MATRIX and some of the others books I have been reading I think that it's pretty scary and that some of it should be kept under wraps. I don't think that the general public is ready for what I have been reading, anyway.

L: Well, I agree with you there.

- This keeps coming back like a bad dream. There is something so dire and scary that the public can't know. Is there a time in the future when you can tell it all?

L: I don't think we have much time for people to understand what's going on. People should enjoy their life. The whole program of the extraterrestrials was the Organize and Pacify. Remember those two words. There is so much going on that there is no way to bring everyone up to speed.

- Is there more to the abductions than people report? What kind of trouble are we having with the Greys? Are they good or bad?

L: The ones that the government is dealing with are the bad guys. There are good ones here, but apparently they aren't directly a part of what's going on. If the ones we're dealing with are good, why did they murder 44 scientists and 66 military members at one of the bases? I know someone who read that document; a document that discussed that particular incident, which happened in 1979.

- I presume this has been covered up.

L: Certainly. I know one of the families of one of the people that was killed – Dr Gary Henderson, who testified before Congress. He worked for General Dynamics, and in 1979 he disappeared off the

face of the earth. He was involved in that division of General Dynamics which deals with UFO's. We looked for him and found out that he had been attached to a Top Secret detachment that was stationed up at the Test Site. He was one of those 44 scientists. The Government has a way of going to families and giving them money to "help them over their problems".

- Isn't the Government murdering people by introducing AIDS into the general population?

L: Well, yes sir.

- We can't do anything about this?

L: No sir.

- Will the earth be taken over by the aliens?

L: I don't know. One of the problems in this research is that I wish I had all the answers. All I'm telling you is that I know to be true. I will also tell you when I am speculating. As far as the AIDS things is concerned, I know that to be true.

- There's nothing we can do about it? We just sit back and die at their leisure?

L: Yes. It wouldn't even remotely occur to people that people as high as the Joint Chiefs of Staff were involved in the murder of Kennedy – how are they going to understand the AIDS problem?

- I want proof. If we're all doomed because of AIDS, there has to be a way to reveal this, and once revealed begin to do something about it. You have to take steps. You say they have a way to cure it.

L: Yes.

- Then there has to be a way to bring pressure to bear so they will bring out the cure before Genocide occurs.

L: It's not in the plan. The overall plan is to get rid of 75% OF US. You can't go against the plan. That's what we have to put up with.

- Is there any approach to change this?

L: You can tell people, but they are not going to believe you. They don't even believe in flying saucers. How are they going to believe that?

- It would seem like people with such advanced knowledge as some of these aliens would be benign in nature. Apparently, I'm wrong.

L: Yes sir, you certainly are wrong. As far as interchange between species is concerned, do you go out and talk to cows and try and relate with them and teach them mathematics, or do you just use them for food?

- Well, I don't go out and talk to them, and I don't use them for food – that much.

L: What if I were to tell you that the planet Earth was just a farm.

- Ok, I can see that. Have they been doing genetic experiments with humans?

L: Well, yes. In fact we are just one big genetic experiment. You don't seriously believe that we came from the fish in the sea and just evolved in 16 billion years to what we are now. The chances of that happening are 20 quadrillion to 1. It just couldn't happen.

- Astronomers have recently located an object in space... a pulsar...which they believe is hundreds of billions of years old. The discovery of this pulsar throws a monkey wrench into every theory of evolution.

L: It certainly does. I can't help wonder if they're trying to get around to tell us the truth, but I doubt it, knowing what the truth is.

- How does the Secret Government stay in control and keep a lot of the wealthy people from knowing what's going on?

L: It's a complicated question. The 13 major banks. The Rockefellers and Rotchilds – they know what's happening. The Council for Foreign Relations knows. How do they keep the flying saucer thing secret? They do it with drugs and hypnosis. It's very very sophisticated. It was developed starting in 1955. They do it by first drugging the person who is brought into the program in combination with hypnosis. They structure it so that when a person works in the project, he's totally knowledgeable and conversant, but when he leaves, the memory leaves with him. The main reason that we found out what was happening to Bob Lazar was that we were probing using regressive hypnosis. He could remember going up there and coming back but he couldn't remember some of the things that went on up there. He has very clear memories that were not affected by the hypnosis and the drugs of looking inside the disk at

S-4, of seeing it flies, of working with the technology. There are a lot of other things that he was privy to that didn't come out until we did the regressive hypnosis.

- We have live aliens up at Area 51?

L: Beyond the shadow of doubt.

- If they are not necessarily friendly, and we are trying to discern what their technology is about as we fly their craft around...have we put the thumb-screws to these guys...have we even tried to communicate with them?

L: We can communicate with them. We've had three over the years...EBE1, EBE2 and EBE3. They were named by Doctor Detlev Bronk, who was on the original MJ-12 team. EBE stands for Extraterrestrial Biological Entity. We've learned that they recovered one more live alien from the Kalahari desert in South Africa in may 1989. I have a five-page report from the South African Air Force that someone managed to steal from the country. They sent two C-5C's to.....,and the one live alien. Both C5A's operate out of Wright Patterson. One has a controlled environment built inside the airplane. They can change the air to accomodate the aliens. The other C-5C is equipped to transport the disks.

- Are you in a position to release any of the South African information?

L: Its out there. Its been in the Nevada Aerial Research report.

- Have you seen Barbara Honnegger's book, "October Surprise"? Do you agree with that?

L: I not only agree with her...I sent her some of the information I has when I was flying in Cairo that supports what she's saying. It's beyond a shadow of a doubt that in october of 1980 the Reagan political group, before they were elected, cut a deal with Komeini in Iran to delay the release of the hostages for 76 days in return for the arms shipments. The reason I know that is I was part of the shipments in 1980 and 81.

- They sabotaged the helicopters that were sent in to 'rescue' the hostages, too, didn't they?

L: They certainly did, but that's only part of it.

- If there was even the tiniest shred of proof, wouldn't the Democrats have used that to win the election?

L: Well, there are certain reasons why they can't do that. Some of them were part of it. I was there, and I was part of the arms shipments, other than running the guns themselves, so I know that it happened.

- You said that 75% of the population is scheduled to be eliminated by 1996. Is that by an AIDS virus contrived by our government?

L: Yes. Our Government created the AIDS virus. It was introduced by the World Health Organization into Africa in 1972. The public is being told that there are 20,000 cases a year when in fact there are 5,000,000, and in fact that doubles every year, so by 1996 it will have reached 75% of the world's population.

- Was this WHO thing part of a vaccination program?

L: Part of the final vaccination series which, also introduced the AIDS virus.

- Could you elaborate about the face picture in Mars? You said at one point that there were buildings up there?

L: Yes, I get my information from Dr. Brandenburg, who has been involved in the research that covers that area on Mars. He was initially hired by NASA to research that area. They terminated the research for some reason and he went on with a group that did it on their own. It's called the Mars Research Project. He gave a paper at the MUFON convention in July which was very very interesting. What he says is that it is clearly evident that those are not natural formations, that indeed they were formed by some intelligent group, and in fact that the city that lies to the southwest about 10 or 15 miles is and was a city for some kind of race that lived on Mars. He has quite a bit of documentation to prove it. and on my own end, I have somebody who actually saw some pictures that the government keeps secret that clearly shows that it is, in fact, a city.

- If the Star Wars program was finished in 1984, and they are still allocating money for it, why doesn't someone tell them?

L: You have to understand that there are two realities here. The reality of what's really going on as far as the planet Earth is concerned, and there's the reality that you are involved in, where you believe in Congress and you believe that they run the United States, and you believe in the branches of government and that they make the laws, etc.

- What you're saying probably explains their behavior than anything else.
- You mentioned a couple of books one time that were important. What were they?.

L: One is called Majestic. By Whiteley Strieber. The other was the MATRIX, which is no longer for sale. I don't think there are any copies in existence other than the ones that were first published. Another book is "On the Trail of the Assassins" by Jim Garrison, about the Kennedy assassination.

- Is it possible that the aliens only see us as a source of food? Are there tanks with body parts at Groom Lake?

L: The tanks are not at Groom Lake. They are at other underground bases, one of which is near Dulce, New Mexico. It is possible that some of the aliens see us as a source of food, but I don't think that is the whole story.

- Are you hesitant to talk about this aspect?

L: Yes.

- It is true that you are castigated by most of the so-called rank and file UFO researchers because of your statements about the negative nature of the aliens?

L: They don't like what I have to say. The rank and file of the researchers, MUFON and the like, they like to go out and drink a cup of tea and talk about UFO's, but they really don't want to know what's going on.

- As I understand it, there is speed more than the speed of light. Can you comment on this? A second question would be whether the aliens can target whom they wish?

L: Yes, you can travel hundreds of thousands faster than the speed of light without breaking the basic laws of physics. Bob Lazar could explain it perfectly. It basically involves the folding of time and space. On the disk, or at least the one Bob was working on, they have gravity amplifiers. They pull one side of the universe closer, and then they turn it off and you're there. It's a difficult concept for most people to grasp. As far as aliens targeting a certain individual, we have evidence that they can and do. There is supposedly this thing where they have to have your permission to invade your privacy and most people apparently willingly give it.

- How much the Congressmen and Senators know about this stuff?

L: Congress knows relatively nothing.

- How about the President?

L: Our current President knows more than the rest because he was director of Central Intelligence in 1976. He was also involved in the Agency as early as 1960. So he has a little bit better input than Carter or Reagan. Carter couldn't fulfill his promise to make UFO information known. Reagan has mentioned "what if we were attacked by alien species from outside the planet...wouldn't it get us all together" five times in different speeches.

- Are all the governments included in this problem?

L: The soviets know a little bit. They were invited to S-4 to learn a little. As Bob Lazar has said. For some reason, they were kicked off the program. He doesn't know why. Gorbechev has said the same thing in his speeches about the threat from space.

- What about the idea that the government is trying to disarm us?

L: My personal opinion, if I were a cynic, would be that they are in fact trying to disarm the public, so that when they make their final move that there will be no resistance.

- I have heard that there is film that distinctly shows a mining process going on on the other side of the moon. What do you know about that?

L: That's for sure. I know a person in Houston who flew on of my dad's airplanes. He was shown by a NASA photographer one of the frames taken by Frank Borman on the back side of the moon on Apollo 8 of the mining equipment. The way he described it is that it was about three hundred feet long and it was shaped like a "T". It appeared like it was kicking up dust, like it was moving when the shot was taken.

- Who do you think would be involved in the mining?

L: I don't know.

- Presumably either the government or some aliens or a consortium?

L: Possibly.

- To be told that there is this massive threat and then to be told that we virtually can do nothing about it absolutely wears on me.

L: Well, come up with a suggestion. What would you like to do about it? Where would we start?

- I don't know.

L: In order to solve a problem, you have to understand the problem. If you can understand that our government was usurped and taken over by this small group of individuals starting in the earlywe can get going. The problem is that most people still believe that Congress makes the decisions and the President runs the country. As long as they believe that, there is nothing we can do.

- Until they accept everything, they can't start down the road to recovery?

L: That's right, and I don't believe there's any way you're going to get the majority of the people to accept it. They're too busy watching 'Wheel of Fortune' and being Organized and Pacified.

- Why do you continue to expose yourself, despite the fact that you lost a job and open yourself up to ridicule?

L: I wish I had the answer to that question. I really do. I'm not on a crusade. It's certainly nothing I wish to continue.

- Could you elaborate on the 44 scientists that you say were killed by the aliens?

L: Yes. It was a story that came to me from two sources about two years ago. It was confirmed by someone who read a document up at the Test Site. Apparently in the late 1960's we made a deal with whoever it was that we would receive highly advanced technology in return for covering up the existence of the aliens and what they are doing. We thought that we would get advanced weaponry that we could use against our enemies, but in fact it turned out that we did get a lot of technology that was non-weapon oriented. These scientists were working at a highly classified facility, and in 1979 they collectively came upon information which indicated that something really really bad was going on. What it was, specifically, I do not know. Maybe they found out about the AIDS plan. It became necessary for the aliens to eliminate these 44 scientists. Whatever it was that happened, 66 Delta troops were sent in and ended up being killed along with the

scientists. The document my friend read was dated 1981, and that's all I know.

- I've been told that 35% of the people in Africa are infected with AIDS.

L: It's more like 100%. That's where it started. Africa's gone.

- Were we in essence hoodwinked?

L: I believe that to be true. Yes.

- So, we are stumbling around up at Area 51 trying to get something useful from the saucers. Do you have any information as to whether we've actually realized anything of any use at all yet?

L: No, because it's too far advanced. It's maybe 100,000 to 500,000 years in advance of our technology. Bob Lazar talked about the fuel, which is Element 115. Our periodic table of elements only goes up to 103, and we can only produce that element for microseconds using enormous amounts of power. For us to even think of making Element 115 is absolutely impossible.

- What is element 115?

L: This is what fuels the basic power source. It drives an anti-matter reactor, which drives the gravity amplifiers, which supplies the propulsion. We can't even figure out how it can possibly be made, but there it is. We have 500 pounds of it.

- These aliens are using our planet. How does that relate to the universal mind?

L: You're pretty close to what Paul Davies, a brilliant British physicist said. He said: "a major assumption which goes into discussions of space colonization and interstellar communication is that biological intelligence in societies represent the supreme example of organization and complexity of matter. We have to face the fact that we may only belong to a transient stratum in a whole hierarchy of levels in organization and development". What about cows? Don't we raise them and keep them happy just to eat? Why would we think that we would be any different for a higher level?

- Because so much of what you say probably scares the hell out of people, and then when you say that you can't reveal the rest of the information, try to get us to understand why.

L: Well, all you are talking about revealing is really the ultimate of what is going on, and there's no reason to do that because most of the people don't even believe the beginnings of it.

- It is somehow tied to religion, isn't it?

L: Absolutely.

- You say it is ultimate. Is it because you feel that the public wouldn't understand it? Because you feel it wouldn't do any good? That it would just stir up trouble?

L: It's just too incredible. If I blurted it out now and told you what I feel to be truth, it would be ridiculous. You'd say, "Oh, well that can possibly be, because of this and that".

- In other words, you feel that the truth is so far out of sight that people would discredit everything you would say.

L: That's basically it.

- I appreciate the explanation.
- How can people protect themselves if the aliens decide to take them?

L: There's no way to protect yourself.

- Can we pray?

L: I don't think that would do very much good.

- You have said that some of these beings are evil.

L: Well, what's evil? Is it evil that we raise cows to eat?

- Is there a forum somewhere in which you could reveal the information that you cannot now reveal?

L: I doubt it. Things are happening so fast. I'm not involved in this any more.

- In other words, it's such a done deal that there's absolutely no point in revealing, pursuing it or anything else because there is nothing that can be done?

L: I would say that that is an accurate statement.

- Damn.

L: Can you tell me about some of the alien races? Could we look to some of the good ones for help? If this is as bad as it seems, it seems to me that our race and the governments that lead us would think about destroying the world before they would let us be food for somebody else.

- There are at least 70 alien races that we know of. There are millions more. Carl Sagan, when he was part of a Presidential panel, estimated that there are at least 1 million races similar to ours in the universe. Why can't the good ones help us? We made our deal with the bad ones and apparently there is some kind of agreement of non interference. In other words, we, and we can't make a deal and then say, "oh, we made a mistake, can you help us out?". Apparently, that doesn't work.

Would the government consider blowing up the earth to keep us all from dying? All I'm going to tell you is that I'm laughing inwardly because I know something you don't and I'm not going to tell you about it.

- This must be very frustrating for you.

L: I got to the point where I knew what was happening and I thought, "what should I do? Should I try and tell people? So I tried to tell them for a while, and it doesn't work.

- To be in that 25% that will survive, do you believe that if we don't have sex or only have safe sex that we will survive?

L: Absolutely not. It has nothing to do with sex or venereal disease.

- Some will be spared and others will not?

L: That's exactly right.

- Are you considering any personal survival plan?

L: No, all I'm doing is spending time with my family and just enjoying life.

- Are you the only one who knows the truth?

L: Well, all the people involved in the cover-up know. There must be at least 100,000 people in the government. You have the secret government police force, which is the Defense Security system... there

are probably 10,000 people in that group, which was originally for defense security... believe me they do a lot more.

- I have a couple things to say, and tell me if I'm wrong. The being that we know as Christ is an alien. The star that we celebrate at Christmas was a space ship. The Earth is already on a self-destruct mission with that Jupiter probe. The trip to the moon in 2001 that NASA was talking about will be for the survivors of this planet.

L: Some of those comments are correct. Some of them I won't comment on.

- I guess everyone will have to deal with what you've said and deal with it in their own way.

L: Right.
